Thompson cut the atmosphere three mighty swathes and Lancaster scored on Kerr's single. Moore dropped a little hit near home and was thrown out at first. Briden struck at a wide one and reached first on his third strike—a Hatchetts failure to stop the ball. Jackson struck out. Rossi flew out to third. Caskey struck out.

And Then—The "Dry Farmers" stood up on their hind legs and yelled. They begged and beseached the Braves to hold 'em and the Braves did.

Seventh Inning—One; two; three!

Kerr flew out to right and Thompson went to third before the right fielder realized he had the ball. Moore connected for a single, scoring Thompson. Birdsong flew out to second. Martin connected for what would have been a single but was called out for interfearing with the pitcher catching the ball. Shoemaker was thrown out, pitcher to first. Woods got a hit but was caught trying to stretch it and the game was over.

FAST COUNTY TEAM HERE SUNDAY AFTERNOON

Manager George announces that there will be a game in Clayton Sunday afternoon between the Injuns and the fast county team from Wanette.

While it is expected that the Wanettes can't stand against the semi-pros who are putting Clayton on the baseball map there is some chance that they will give the Injons a run for the money and the game will be worth seeing.

Advice from Wanette is to the effect that there will be a delegation of rooters along with the team who can out-root anything in the four states so it is up to the Clayton rooters to be present and maintain their reputation.

George is in communication with some of the fastest teams in Oklahoma, Colorado, New Mexico and Texas and will have a schedule arranged in a few days. In all probability the local fans will have the pleasure of seeing the Injuns take the scalp of the following teams: Amarillo, Guymon, Tucumcari, Channing, Texhoma, Van Houten, Dawson, Canon, Texas, Walsenburg, Pueblo, and other Colorado cities.

The schedule will be announced as soon as completed.
