CHAPTER II

In Which the Sucking Fish Plays a Reason to Show Its Value

This lesson was so strong that we hours was our engine that day. Bu[illegible] I passed to take a little time [illegible] my place. I spent most of the time studying the charts and pondering [illegible] narrative which there was little light on the situation. There was little definite to go by but his mark of the compass so passing on a certain rock in a wilder zone of rocks and such rocks as they were at that.

I looked well to my guns. The commandant had made me accept the loan of a particularly aspect revolver that was I could see as the apple of his eye. He must have cared for me a
