The Saloon Man's Good Fortune.

Some 3,000 saloon men had to seek new jobs in Oklahoma when the new state-wide prohibition law took effect. No greater benefit will accrue to anyone in Oklahoma from this new law than falls to these 3,000 saloon men, if they stay out of the business entirely and enter some other line.

The saloon business looks like easy money, but it is not. Over 75 per cent of the saloon keepers accumulate nothing and over 90 per cent of them die prematurely as the result of steady drinking. With few exceptions, if men in the saloon business would put in the same number of hours at some really useful employment, use the same tact and business judgment, and strive as hard to make themselves accommodating and agreeable, they would achieve a distinct success, live longer and find more satisfaction in life.

Saloon men will not all agree with these ideas, but those who have been in the business a number of years, know from experience that they are wasting their time.

Resolutions.

At the annual meeting of the Oklahoma woman suffrage association held recently in Oklahoma City the following resolutions were adopted:

The Oklahoma Woman's Suffrage Association is mindful of the interest and aid rendered by the members and friends and in recognition thereof, be it resolved.

1.—That we express our gratitude to the delegates who so courageously endorsed and voted for Woman's Suffrage in the Constitutional Convention, and that the president be instructed to send a letter to each member in accordance with this resolution.

2—Resolved that our thanks are due the Ministerial Association of the United Brethren church of Oklahoma for its endorsement of Woman's Suffrage as a factor in the moral and political life of our nation.

3.—Resolved that this association, in accordance with the principles of our National Organization, endorses the Union Label and stands for equal pay for equal work as a measure of justice to the wage earning woman, and whereas a disfranchised class is a menace in industry, be it resolved,

4.—That the secretary send a fraternal communication to the Oklahoma Federation of Labor, expressing our appreciation of the support and endorsement given by the Labor Unions in the furtherance of Woman's Suffrage.

5.—Resolved, that we congratulate the women of Oklahoma on the nomination of Robert L. Owen to the United States Senate. His integrity and ability are a conspicuous illustration of the high character of men who believe that justice is due women as well as men.

6.—Resolved that we congratulate the women of Oklahoma on the election to congress of Bird S. McGuire, whose advocacy in the past is an earnest endeavor of his continued efforts for the political representation of our women.

7.—Resolved that the thanks of the state and local organizations are due the newspapers of Oklahoma and Indian Territory for the generous publication of items relating to Woman's Suffrage. The favorable attitude and the amount of space donated to our cause is an indication of the progressive spirit of the press of our new state

8.—Resolved that we congratulate the Woman's Christian Temperance Union for their political sagacity and energy displayed in their campaign in this state and point with pride to their achievements as a demonstration that women can take part in the policies of government with dignity and intelligence.

9.—Resolved that we extend to the National Association a vote of thanks for their excellent work done in our territory during the past eighteen months. Also wish to especially extend to Mrs. Boyer our most sincere thanks for her work in creating such a general sentiment for suffrage throughout the territories during her year's work with us.
