INTERESTING BUDGET OF NEWS AND NOTES FROM BUSY BELTON

CLAUDE A. GRAVES, Correspondent.

Belton, March 4.—Dr. D. L. McDonald of Williamston was among those who had business in the city Monday.

Frank Brezeale, formerly of Belton, but now of Temple, Texas, who has been spending sometime here with relatives, returned Sunday.

Miss Kate Scott, eacher in the Belton High School, spent the week-end with her parents at Lickville.

J. B. Babb, of Gray Court, arrived in tow esterday and accepted a position w the G. S. & A. Music Company.

W. K. Vaughan of Greenville who has been sick for sometime in town, is able to be out again and has moved to Williamston.

Misses Bessie Werts and Allie Major of the Mayfield section, spent Sunday near town, Guests of Mr. and Mrs. J. C. McKenzie.

G. C. Vaughan of Belton, went to Greenville Sunday on business.

Ben Berry of Greenville, was one of those in town Saturday.

Miss Wrennie McDonald of Shady Grove, was in town Sunday, the guest of Miss Emma Vaughan.

Miss Emma Vaughan who has been teaching at Shady Grove, has returned to her home in Belton, her school being out. Miss Vaughan who has been with the Belton Mercantile Company for some time, has returned to her position there. The company is glad to have Miss Vaughan back with them again.

Miss Lelia Terry, milliner for the Belton Mercantile Company, who has been in Baltimore and New York for some time selecting millinery for the spring trade, returned to her home Wednesday.

W. K. Hudgens of Pelzer, was seen on the streets of Belton. Sunday.

J. F. McCuen of the Belton Mercantile Company, has purchased a handsome lot from W. E. Mattison, on Brown Avenue, and will erect a beautiful home on it this summer.

The following traveling people were registered at the Hotel Geer yesterday: C. H. Brackley, Spartanburg; E. H. Blake, Greenwood; E. L. Spencer, Detroit; W W Dodson, Greenville; M. B. Query, Greenville; Mr. and Mrs. C. H. Clinkscales, Macon; B. C. Herroll Boston, Va; Bruce Crasher, Southern Railway; P. H. Calvin, Clemson College; W. W. Levy, Clemson College; J. S. Curle, Pennsylvania; D. E. Godbold, Macon; Miss Virginia Turner, Richmond; G. L. Strouse, Columbus, Ohio; J. W. Slater, South Carolina; W. A. Casler, Baltimore; C. C. Campbell, Columbia; H. H. Laurie, Baltimore.

A New Building

J. T. Cox, one of Belton's prominent citizens, is erecting a brick building 25 x 50 feet on Anderson street near the Southern depot. J. R. McConnell will occupy the building and will open an up-to-date cafe and meat market The Mitchell-Cox Lumber Company has the contract and will have the building ready for occupancy in the near future.

Mrs. Ellen Thompson Dead

Mrs. Ellen Thompson, wife of Tilden Thomson of the mill village, died last Friday and was buried Saturday in the Belton Cemetery in the presence of many sorrowing relatives and friends. Mrs. Thompson was oly 28 years old and was loved by all. The funeral was conducted by Rev. Haydock, of the Second Baptist Church here.

A. J. Willingham, of the firm of Hand & Willingham, had business in Williamston Saturday.

Mrs. W. H. Lee and for her guests Sunday Miss Miriam Lee and Miss Eva Tribble, two of Anderson's most attractive young ladies and Mrs. M. A. Vandiver and her daughter, Miss Mattie. Miss Mattie Dunlap and Mr. and Mrs. Kay of Belton.

Mrs. Joel Kay spent the week end in Honea Path with relatives.

Dr. W. E. Campbell, the noted ear, eye and nose specialist of Atlanta, is at the bedside of his mother, Mrs. Mary Campbell, who is critically ill at the home of her son, Mr. A. R. Campbell on South Main street.

Mrs. Jessie R. Lewis has returned from a most delightful visit to her friends in East Orange, N. J.

Miss Sadie Kilpatrick returned to Belton with Mrs. Lewis. She will be in business in Anderson hereafter. Her rooms are in Moore-Wilson Company's establishment and she is now prepared to serve all on her friends and guarantee them dresses of the latest style and fit.

Mr Ethan Frierson went to Greenville Monday in an automobile with Messrs Milling Frierson, George and Gene Evans of Anderson.

Dr. and Mrs. Grange S. Cuthbert and little Allie spent Sunday with Mr. and Mrs. W. C. Brown.

Mrs. Marandi Cuthbert is nursing Mrs. Mary Campbell now.

Dr. and Mrs. W. C. Herrin dined Sunday with Dr. and Mrs. James E. Harper.

The Y. M. C. A. mission class met Monday afternoon in the church parlor. Mrs. Tramwell is their leader and their meetings are always interesting.

The Ladies Missionary Society of the First Baptist Church will met on Wednesday afternoon at the church at 4 o'clock. The subject will be "Personal Service" and all the ladies are urged to be present and bring their bibles. Mrs. Geer makes these meetings very interesting and a treat is always in store for all those who attend

Misses Sue and Alice Covington have returned from Greenville where they spent the week end.

Miss Fanny Wright spent the week-end in Honea Path.

Mr. E. Reed Shepard was in Belton with his family for the week-end.

HARNES ITEMS

Barnes, March 9.—W. Frank McGee, of Iva, has bought a tract of land here from T. B. Mauldin. This is a part of the plantation formerly owned by Capt. J. T. Barnes.

A marriage of much interest here was that of Miss Dora Kelly and Mr. Jim Mauldin, at the home of the officiating minister, Rev. R. G. Martin.

Miss Mary Herron who has charge of the Savannah school spent the week end with her sister, Miss Josie Herron.

Misses Sallie and Rose Foster of Greenville are visiting their brothers at the home of Mr. John Wiles.

Miss Eme Campbell of Anderson, recently visited her sister, Mrs. D. E. Wiles.

Miss Kate Hutchinson of Lowndesville was here Saturday and Sunday with Miss Jessie Herron.

Mr. Love Brown, and little son, Pete, of Lincolnton, Ga., are here with her parents and other relatives.

Miss Bessie Carwile spent the week end with her parents of Zarline.

Miss Lina McMahon is at McCormick spending awhile with her sister, Mrs. Furman Brown.

Rev. J. B. Herron delivered a splendid sermon here last Sunday. Mr. Herron was pastor here about 12 years ago, and the whole congregation was glad to have him with them again.

The cotton seed separator which was mentioned last week has arrived and is now in operation with splendid success, a measure of seed passing through is separated in three different grade. Try it and see if it doesn't.

The cold weather has put a crimp on farm operations, but there is a rush still for fertilizers.

The Forty Year Test.

An article must have exceptional merit to survive a period of forty years. Chamberlain's Cough Remedy was first offered to the public in 1872. From a small beginning it has grown in favor and popularity until it has obtained a world wide reputation. You will find nothing better for a cough or cold. Try it and you will understand why it is a favorite after a period of more than forty years. It not only gives relief—it cures. For sale by Evans' Pharmacy. (Adv.)

MR. LEVER'S BILL.

Washington, March 8.—Representative Lever, chairman of the House committee on agriculture, who is now conducting the fight on the floor of the House for the passage of the annual agricultural appropriation bill, is being congratulated upon the fact that the increased amount in the bill is less than the average increase for the past four years. In presenting his bill to the House Mr. Lever called attention to the fact that the increase over last year's bill was less than 5 per cent, and that this was less than the average increase in the bills of the past four years.

When it is recalled that the activities of the department of agriculture, for which the appropriation is made are constantly being extended, and that appropriations for the past fifteen or twenty years have been increasing at a very rapid rate, it is plain that the bill which Mr. Lever is pushing is not an extravagant one. As has been said by democrats, while the appropriations of congress have been rapidly increasing for many years, if the democrats, in their efforts at national economy, can merely call a halt in the rate of increase they will have done much. More is expected of the federal government now than ever before, and it is costing more than ever before.

To cut the cost, or to prevent its continuing to increase so rapidly, is one of the grave problems of the democrats, and so far as Mr. Lever's bill is concerned, something is apparently being accomplished in that direction.

Chamberlain's Tablets for Constipation.

For constipation Chamberlain's tablets are excellent. Easy to take, mild and gentle in effect. Give them a trial. For sale by Evans' Pharmacy. (Adv.)

IN "DIXIE LAND."

Is the Best Place for Coffee After All is Said and Done.

New York, March 9.—After long delay the steamship Curityba, on which "Chief Sam" was to carry a large number of negroes to a colony on the Gold Coast of Africa, sailed today, but not for the promised land. She is on her way to Portland, Maine, where Sam said the negroes would be overhauled and put into shape for the African voyage.

Some seventy negro men and women who have been living on the ship were placed ashore before the steamer sailed. Sam said he would pay their railroad fares to Portland, where they would be allowed to go on board again. The Curityba sailed, under a Cuban flag. The ship was manned by a white crew.

The negroes left behind were some of a number who had sold all their belongings and homes in the south and southwest.

COMB SAGE TEA IN HAIR TO DARKEN IT.

Grandma kept her locks dark glossy, thick with a mixture of Sage Tea and Sulphur.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmothers' treatment and folks are again using it to keep their hair a good, even color, which is quite sensible as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the messy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Hair Remedy" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten a comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeths Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair. Evans' Pharmacy agents.—Adv.

A Valued Husband.

Roanoke, March 9.—In federal court here today a jury awarded to Mrs. Lonella Gillespie, administratrix, a verdict for $10,000 in a suit brought by her against the Norfolk and Western Railroad for the death of her husband who was killed in a wreck at Cleveland, Russell county, Va., June 8, 1913. The jury was out two hours. Mrs. Gillespie sued for $50,000.

Chronic Stomach Trouble Cured.

There is nothing more discouraging than a chronic disorder of the stomach.

Is it not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets and since using them I have felt pretty well. I have previously used any number of different medicines, but none of them were of any lasting benefit." For sale by Evans' Pharmacy. (Adv.)

Politics and Politicians.

President Wilson is said to look ten years older after his first year in office.

The funny column men on the newspapers of the country are getting oodles of fun out of vice President Marshall's novice on the divorce question, especially that part recommending the daily kissing of wives by husbands their own.

A large number of colored men from all parts of Texas have come forward with statements showing that General Villa of the Mexican army is a negro. Some of the Texans claim a close personal acquaintance with the rebel leader and say he is half negro and half Indian.

The Spanish elections, which will be completed next Sunday with the selection of senators for the national parliament, promise to bring many changes. The socialists are increasing rapidly in Spain and the Conservatives are yielding to extremes of leaders of the party to allow the people more privileges to avoid a popular uprising.

Uncle Sam is willing that consuls should be used as lecturers in foreign countries. It is believed that if our representatives in the country foreign cities are permitted to explain more of American customs and habits to people abroad a better feeling will be engendered and a more perfect understanding of the United States diffused among the people of the world.

James H. Moyle of Salt Lake City, twice democratic candidate for governor of Utah, has announced his candidacy for U. S. Senator to succeed Reed Smoot. Reports that the democrats and progressives would unite in support of Moyle are strengthened by his statement announcing his candidacy.

President Orcate Samor, revolutionist, who has just taken charge of the Haytien government, has been recognized by the United States. He has been prominent in the affairs of the country for several years and served as minister of war in 1911.

Thirteen boroughs along the eastern edge of Bergen county, N. J., have formed a combination to fight the trusts whose prices it is declared are so oppressive that many small firms are being put out of business.

The state of New York with one-tenth of the population of the United States, has one-quarter of the total indebtedness of the 48 states. The net debt of New York state averages $88 per capita, as against three cents per capita in Iowa and four cents per capita in Oregon.

The Mother's Favorite.

A cough medicine for children should be harmless. It should be pleasant to take, should be effectual. Chamberlain's Cough Remedy is all of this and is the mother's favorite everywhere. For sale by Evans' Pharmacy. (Adv.)

GEORGIA CHAIN GANGS.

State Prison Camps Are Being Well Managed.

Atlanta, March 9.—Col. E. L. Rainey of the state prison commission, has just returned from a tour of inspection among the prison camps of the state. Colonel Rainey reports that as a whole the camps are not only being well managed but that wherever possible for continued improvements are being made and progressive methods adopted for the better care and treatment of the convicts.

A large number of new tents have been provided recently in some of the camps and in others the permanent sleeping quarters have been enlarged and bettered.

The new convict system of Georgia which was inaugurated only a few years ago on the abolition of the old lease system, is being gradually but steadily improved, as guards and officials gain experience.

The other members of the commission, Commissioners R. L. Davison and T. E. Patterson, have also been travelling extensively around the camps this winter and their reports are to the same effect as that of Col. Rainey.

$36,600.00 GIVEN AWAY!

TO THE FARMERS OF SOUTH CAROLINA
By The Read Phosphate Company

Bulletin No. 172 of the South Carolina Board of Fertilizer Control shows that thirty-three samples of our fertilizers were analyzed at Clemson College during the fally and spring of 1912-1913. Thirty-two samples out of the thirty-three analyzed above the guarantee, the average of all the thirty-three samples being $1.22 per ton above the guaranteed value. Not only this, but we use only the best kinds of Ammoniates, such as high grade Blood, Fish Scrap, Bone, Tankage and Cotton Seed Meal in the Road Goods. Thus the farmer who uses the Read Fertilizers not only gets the best kind of fertilizer but more of it, for $1.22 per ton on the 30,000 tons shipped from our Charleston factory last season shows that we gave our customers $35,660.00 more than we guaranteed.

Be sure and see your dealer right away about Read's Fertilizers.
