MOVIE PEOPLE AT WORK

Aiken, April 23.—A troupe of moving picture actors and actresses arrived here yesterday afternoon from Charleston and today was engaged in taking pictures on Mr. H. M. Dibble's place, where they were assisted by several local people.

During the day several pictures were made, the scene of one of which is supposed to be laid in England. It is said that the title of the picture will be "The Green Sofa." Lady Haggard's place was chosen as it is a typical English home.

The people seemed very favorably impressed with the scenery around Aiken and may spend several days here.

We Would Like To Show You

Pendleton, April 23.—Farm work is progressing nicely at present and if the weather is such as to permit farm work, our farmers will all be through planting in another week.

The cold nights of the first part of the week made our gardeners fearful of their crop of vegetables. A light frost was seen Tuesday morning, but we have heard of no damage so far.

A large number of our people attended services at Friendship last Sunday and heard Rev. M. O. Wright preach an excellent sermon.

Fred Lawrence Smith attended the singing at Cross Roads last Sunday.

S. L. Hicks who lived here for years but is now living near Pendleton was a visitor here Saturday and Sunday.

A. W. Pickens and wife visited relatives in Mt. Springs community last Sunday.

We are requested to announce that there will be an all-day singing at Pisgah Baptist church on the second Sunday in May.

S. J. Boggs of Sims Mills was a visitor here last Sunday.

Our teachers, Misses Bole and McAllister and Misses Bessie and Florence Moore attended services at Lebanon Sunday and visited at the home of Alton McAllister after services.

A. M. Martin and family visited relatives at Hopewell last Sunday.

Miss Elizabeth Murphy of Roberts, was visiting relatives here a few days ago.

A. W. Pickens was a business visitor to Anderson Monday.

Our farmers claim that we have the best prospects for a large fruit crop that we have had for a number of years.

HIT THE RIGHT LICK

(Rock Hill Herald.)

The Anderson Intelligencer knows a man who is building up a flourishing business selling articles of common, every day utility, such things as people expect to find at his store or some other store carrying the same lines. He does not cut prices but sells at regular prices, taking a reasonable profit. The secret of his success is that he advertises regularly, consistently and interestingly. Any merchant who knows how to buy goods and how to wait on customers (or have it done) will come into his store, can build up trade by steady, common sense, attractive advertising alone.

MAKING PREPARATIONS

Interdenominational Sunday School Association.

The fifth semi-annual gathering of Central township Sunday School Association will convene in the new Baptist church at Clemson College on Saturday and Sunday, May 9 and 10.

For two reasons this is far more than the ordinary township convention.

First, it is to be held at Clemson College, where the eight hundred cadets, who at this time is more than at any other in the history of the college, are intensely interested in the Sunday school work, will be in attendance.

Second, coming as it does at the beginning of the administration of our new general secretary, Rev. John M. Carman, in whose plans and methods, the people of the state are so much interested. As Clemson is situated in the corners of three counties, Pickens, Oconee and Anderson, we are making it more of a tri-county, rather than a town-ship meeting.

In addition to Rev. Carman, we are to have Rev. W. H. K. Pendleton of the state executive committee to preside at a conference of pastors and Sunday School superintendents on Saturday a. m. and to speak Saturday p. m. to a conference of township, county and state workers.

Rev. W. S. Meyers of Townville, will address the convention Saturday night followed by Rev. Carman.

Sunday morning after the regular Sunday School hour, at which time Rev. Carman gives a short talk, he will preach. In the afternoon while the convention is in progress at Clemson, with the good addresses for Sunday School workers, (names of speakers to be given later.) Rev. Carman will speak to a mass meeting of the citizens of Central in the Central High School auditorium. He will return to Clemson Sunday night to speak to the young men of the college on the subject, "The Almighty God Looking for a Man."

All are invited to come to Clemson for a meeting of church and Sunday School workers.

W. A. MATTHEWS,
President.

Growing Children

They Should Be Protected Against Internal Uncleanliness as Well as External Uncleanliness.

The delicate organs of a growing child are more susceptible to the influence of disease and infection than are the more seasoned organs of the grown up. Malaria takes an early and strong hold on the child's liver and causes headaches, coated tongue, indigestion, cramps and many other dangerous conditions.

These are the signal posts of warning nature provides that your child may be relieved of impending sickness.

The proven remedy, CARDWELL'S LIVER AID which is purely a tried VEGETABLE compound should be in your medicine chest ready to administer at the first sign of a disordered liver.

Fifty cents purchases a large bottle at Frierson's Pharmacy, under the absolute guarantee that price will be returned without quibble, if you were not satisfied.
