Brain-Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at

PROSPERITY NEWS.

Number of Improvements in Progress—Several Brick Buildings to be Erected. Work to Begin at Once—Nice School Building and Cotton Mill Wanted.

Our policeman, Mr. Geo. S. Merchant is now wearing full uniform.

Our visitors from Columbia are Messrs. A. H. Kohn, I. B. Nates, Ernest Bedenbaugh and Hart Kohn.

Rev. W. A. Lutz has decided to take his vacation during August. He will spend the time with relatives in North Carolina.

Visitors from Atlanta are Mr. and Mrs. R. L. Whites, Miss Connie Whites, Messrs. Sidney and Robert Summers.

Our town is getting a move on it. Many changes are being made. Work on the building for the new bank has begun. The old frame building next to the postoffice has been torn away and suitable brick building will be erected.

All the brick for the town hall are on the ground and the work will be completed in a very short time.

Mr. K. Baker has purchased the lot next to his on Main street and will erect three nice brick stores. Work will begin at once. The "Old Drug Store," Dr. Wyche's, will occupy one, and we are informed that a new firm composed of Messrs. F. E. Schumpert and R. C. Counts will occupy one. We are glad to see these new buildings going up. We hope soon to have a nice school building, and then, a cotton mill. The time is not far distant when we will have one of the prettiest little towns in the country. Why shouldn't it be? We are situated in one of the best sections of the State—thickly settled country, excellent water, and above all—a healthy district. Then, citizens, let us all pull togetther for her upbuilding.

With best wishes to the Herald and its readers, I am, X.

NEWBERRY WINS IN COLUMBIA.

Newberry won two of the series of three games with the O. G. R. mills in Columbia on Thursday, Friday and Saturday of last week, winning the first two and losing the last.

In the first game Harrison was in the box for Newberry, and Godfrey for Columbia, Harrison allowing twelve hits and Godfrey thirteen. Score, 14 to 13 in favor of Newberry.

In the second game Simpson handled the sphere for Newberry, and allowed only five hits. Sanders occupied the box for Columbia and the Newberry boys batted him to the tune of eight hits. Score, 4 to 5 in favor of Newberry.

In the third and last game, with two already to her credit, and not wishing to dishearten the mill aggregation, Newberry allowed herself to be defeated by a score of 10 to 1. Laval, a left hand twirler, did the honors for Columbia with only two hits to his credit, while Harrison for Newberry allowed 12 hits to be written beside his name in the official score book.

It seems that the two teams are very nearly evenly matched. Each has now won the same number of games and there has been one tie.
