William Roberts is in from Kirkland valley. He is engaged in hauling mining machinery to that section, and says the outlook thereabouts was never brighter.—Courier.

"They are simply perfect," writes Rob't. Moore, of La Fayette, Ind., of De Witt's Little Early Risers, the "famous little pills" for constipation and all liver ailments. Never gripe. Copper Queen Store. ‡

Arizona will be represented at the American Institute of Mining Engineers at San Francisco on September 25th, by Professor W. P. Blake and T. B. Comstock. These gentlemen are capable and well posted on the mineral sections of the territory and can do us much good.

"Best on the market for coughs and colds and all bronchial troubles; for croup it has no equal," writes Henry R. Whitford, South Canaan, Conn., of One Minute Cough Cure. Copper Queen store. ‡

William Partridge, an old time resident of Stanton, died in the county hospital yesterday morning and was buried yesterday evening. Deceased had lived in and around Stanton since the early 'sixties, occupying a cabin most of the time which he built in 1864. He was engaged in mining and was upwards of seventy years old.—Journal-Miner.

De Witt's Little Early Risers permanently cure chronic constipation, biliousness, nervousness and worn-out feeling; cleanse and regulate the system—"famous little pills." Copper Queen store. ‡

The Rita, the new boat on the Colorado river, launched a few weeks ago, made her trial trip Monday and proved herself a complete success. She was driven six miles up the river against a strong current, and returned to her moorings within an hour. The boat has a capacity of five tons and will ply between Needles, Mellen and Bill Williams Fork.—Mohave Miner.

E. E. Turner, Compton, Mo., was cured of piles by De Witt's Witch Hazel Salve after suffering seventeen years and trying over twenty remedies. Physicians and surgeons endorse it. Beware of dangerous counterfeits. Copper Queen store. ‡

James Bryan is in from the Crown Point mine. This is Brodie's camp and is called the "Soldiers' Home." The camp is anxiously awaiting the soldier's return. Everything is ready to "turn loose" when the soldier returns. Some very fine ore is being taken from Merwin, Belcher & Smith & McIlvain's mine, an extension of the Crown Point.—Courier.

Charles H. Brown, Kalamazoo, Mich., says: Kodol Dyspepsia Cure cured me of a severe case of indigestion; can strongly recommend it to all dyspeptics." Digests what you eat without aid from the stomach and cures dyspepsia. Copper Queen store. ‡

The Prescott Electric company has a force of men at work on the telephone line for the Val Verde smelter which will be connected with Prescott and all the contiguous mining districts within ten days. An individual line will be run from the smelter to McCabe. The foundation excavations for the smelter are completed and the company expect the foundation timbers to be in place this week. A number of buildings are also rapidly taking shape at the townsite adjacent to the smelter. The county will soon have a second company in the market for the purchase of ore.—Courier.

Kodol Dyspepsia Cure is a scientific compound having the endorsement of eminent physicians and the medical press. It "digests what you eat" and positively cures dyspepsia. M. A. Ketron, Bloomington, Tenn., says it cured him of indigestion of ten years' standing. Copper Queen store. ‡
