Legislature Convenes

The Twenty-third Legislative Assembly of Arizona met in Phoenix on Monday, Jan. 16. M. J. Nugent of Yuma county called the council to order, and a committee of three was appointed on credential. The committee reported affirmatively upon all the members with the exception of the councilman from Pima county, upon him they took no action, their report was accepted. Chief Justice Kent then administered the oath of office to the members who had qualified.

George W. P. Hunt of Gila county and C. H. Cutting of Pima county were placed in nomination for president of the council. In a roll call and strict party vote following Mr. Hunt was elected president by a vote of 6 to 5.

Following the election of president, the following officers were elected unanimously by the council:

R. S. McClay, Bisbee chief clerk.

J. H. Thompson, Gila county, sergeant at arms.

P. J. Farley of Yavapai county, enrolling clerk.

Rev. Lewis Halsey of Maricopa county, chaplain.

Charley Lorraine, Maricopa county, page.

P. Peon, Pima county, watchman.

The house was called to order by P. F. Collins of Mohave county, after a favorable report of the credentials committee, Chief Justice Kent swore in the members.

W. F. Webb of Graham county was elected speaker; John P. Dillon of Prescott was elected chief clerk.

Cattle Growers' Convention.

The second annual convention of the Arizona Cattle Growers' Association is called to meet in Phoenix, Arizona, Jan. 25-26, 1905. The attendance of all engaged in the raising or growing of cattle is earnestly requested. There are matters of importance and of interest regarding the cattle industry to be brought before the convention, and the larger the attendance the more beneficial the result of the deliberations and the consequent action.

All the railroads will give one and one-fifth fare for the round trip from all points in the territory. Each purchaser of a ticket must secure a receipt for same, of the regular convention form, and before leaving Phoenix present the receipt to the secretary for endorsement, and such receipt will entitle the holder to return trip tickets at one-fifth of regular fare.

Legal Life of a Railroad Ticket

A decision as to the life of a railroad ticket, which is attracting considerable attention, has been rendered in favor of the Southern Pacific Company by the Civil Court of Appeals at San Antonio, Tex. The court has decided that a railroad ticket which is not used within a reasonable time after issuance, is barred by the statute of limitation. The case arose out of the sale of a ticket by the Southern Pacific on April 29, 1885. The ticket was for a trip from Houston to San Antonio. The man who bought it died without using it. Fifteen years later it was sold. Late in 1899 it wae offered to a Southern Pacific conductor. The latter refused to accept it and the man refusing to pay his fare was ejected. There was nothing irregular in the ticket or in its purpose and transfer. In deciding against the man in his damage suit for ejectment, the court holds that "it was never contemplated that the ticket should be held for nearly half of an average lifetime before it was presented for the purpose for which it was purchased. The ticket held by the appellant could not occupy any better position as to the statute of limitation than a promissory note payable on demand."—The Railway and Engineering Review.

George E. Sullivan Resigns

George E. Sullivan, the agent of the Santa Fe at this place, has resigned, his resignation to take place as soon as he can be relieved, says the Flagstaff Sun.

Mr. Sullivan will go in the lumber business near the city of Mexico with C. A. and E. F. Greenlaw. They have an excellent opportunity there, having secured a large tract of valuable timber land, and their plant will be in the city.

Mr. Sullivan's successor will A. F. Hunt. now agent at Williams. Mr. Hunt will probably be succeeded by C. H. Brown, cashier at Gallup.

Mr. Sullivan is one of the oldest agents in point of service along the Santa Fe Coast Lines. He entered the service of the old Atlantic & Pacific railroad shortly after the building of that road to Winslow. He has many friends along the line who regret that he intends leaving the country, but their best wishes for his success will follow him.
