A New Departure.

Mr. A. D. Walsh, the oldest restaurant man in this city, and the best to start a regular meal compared to others, of the old established Can Can restaurant, has just returned from a trip to San Francisco, and while there he secured the services of Ben Wardman and Harry Woodward, cook and waiter of the celebrated "Bonanza restaurant" of that city, and he will in a few days depart from the old method of serving so much a meal and run a table of late hours. Every article will be prepared and served, will be prepared on a big scale, and you get what you want, and pay for what you get. As Mr. Wardman is undoubtedly the best cook in this territory, this new departure of Mr. Walsh's will undoubtedly make the Can Can the most popular restaurant in this city. aug29-1m
