### A New Departure.

Mr. A. D. Walsh, the oldest restaurant man in this city, and the first to start a regular meal cooked to order, at the old established Can't-Get-Enough, has just returned from a visit to San Francisco, and while there he secured the services of Ben Wortman and Harry Woodward, cook and steward of the celebrated "Popular restaurant" of that city, and he will in a few days depart from the old method of charging so much a meal and run a bill of fare system. Every article with its price carried out, will be printed on a bill of fare, and you get what you want and pay for what you get. As Mr. Wortman is universally the best cook in this section, this new departure of Mr. Walsh's will undoubtedly make the Can't-Get-Enough the most popular restaurant in the city. aug26-1m
