Where is Key We?

Key West is one of the busiest manufacturing points on the Atlantic coast. Cigars of course constitute the principal article of export. The Key West is situated on the Florida coast, only sixty miles from Havana. The famous Key West cigars are made from tobacco of the finest Havana procurable, and made by Cuban workmen. The tobacco only has to pay a duty of $2.50 per pound and 25 per cent ad valorem on cigars. The climate is the same as in Cuba, consequently the aroma is the same as in the imported cigars. Smokers should take these facts into consideration and call on Ashmun & Walker, who have just received a fresh stock of the best brand of Key West Cigars, including the "El Toro," "Celonia," "J. ..." ...

After breakfast, to make your digestion perfect, go to Ashmun & Walker's and purchase a choice imported cigar.

The Crystal Palace Saloon will be ready to serve their customers with the finest of wines and cold beer on draught.

MRS. H. C. HERRICK & CO.

Cuticura

[illegible] that the Rev. Mr. [illegible] had to say about it.

[illegible] I have been a fearful sufferer for years, most of the time with what has been called Eczema of the Shins. People used to call it Old Leg, and have always been [illegible] for it, and have been so disfigured with it that I could not walk out of doors. I have tried everything I ever heard of, but it would not cure me. I will say, in addition, that I have not been able to walk a step for two years, and had to be carried from place to place. I thought if I could get to the Hot Springs, Ark., I would be cured, but I was disappointed in that, for instead of their improving me, they would form and run together, so there was a complete sore, red and raw, which would become so inflamed by the work and the fiery heat, and the burning so sudden would be at times so lame that I could scarcely get about, and could not dress my self without assistance. I have tried many remedies, and have spent $200 in a single year trying to get relief, but found no permanent relief, although hoped for it at times. I was induced again to be so badly troubled as ever, and during the winter of 1881 and 1882 I suffered so much as to be entirely discouraged. Last June, however, I was advised by Rev. and Mrs. [illegible], who are well known in these regions, to try your Cuticura Remedies, and I did so, now a fully change, from their favorable opinion of them, to my great virtue. About the second week of July I commenced taking the remedies, and within two weeks I began to see a permanent improvement. All now (Oct. 1) is a healthy good skin, and my flesh is as the flesh of a child.

REV. DAVID SMITH.

I certify that the above statement of my wife is correct, and I join with her in expressing my gratitude for the great benefit she has received.

D. SMITH.

I certify that the above statement is correct. Mr. [illegible] is a prominent man in this community, where he is well known, and his statement, with that of his wife, is fully entitled to credit.

Minister of the Gospel.
