Dr. SANFORD'S

INVIGORATOR

It is just what its name implies. A Purely Vegetable Compound, that acts directly upon the Liver, curing the many diseases resulting from a disordered condition of that important organ, and by restoring the numerous ailments it causes arise from its deranged or torpid action, such as Dyspepsia, Jaundice, Biliousness, Costiveness, Diarrhœa, Sick-Headache, Rheumatism, etc. It is therefore a valuable "To have Good Health the Liver must be kept in order."

PEN JAMES Constable.

A New Departure.

Mr. A. D. Walsh, the oldest restaurant man in this city, and the first to start a regular meal cooked to order, at the old established Can Can restaurant, has just returned from a tour in San Francisco and while there he secured the services of Sam Wartman and Harry Woodward, cook and steward of the celebrated Blondin restaurant of that city. He will in a few days direct from the old method of cooking to a much more and much fine of late dishes. Every article will be freshly cooked and will be served hot out of the pan and you get what you want, and pay for what you get. As Mr. Wartman is undoubtedly the best cook in this territory this new departure of Mr. Walsh's will undoubtedly make the Can Can the best popular restaurant in the city. aug-31st
