Newborn News

School opened here on the 7th with Miss Stella Williams in charge as teacher. The prospects now are fair for a splendid school. The school has quite a large enrollment already and will be much larger in about a week.

The road contractors, Mr. [illegible] and Mr. [illegible], passed through Newborn working the roads one day last week.

Two singing schools are being conducted near here, one at Orange and the other at Newborn. Your scribe is very glad to know that the people are learning how to sing.

Crops are looking very well down here, but a shower of rain would be of much benefit to them.

Rev. J. S. Parker filled his appointment at the school house. Quite a number were present to hear him preach.

Miss Stella Williams visited the singing school at Orange Saturday afternoon.

Mr. G. A. Howe, Mr. Landen, Mr. C. Johnson and Mr. A. Johnson went to Live Oak on business last week.

Mr. Gus Brown visited at Pleasant Hill, and while there went fishing. He says they got a few fish, but a great many turtles.

Mrs. M. J. Newlan and sister, Miss Newland, were pleasant visitors of Mrs. G. A. Howe last Sunday.

Mr. Albert Johnson and Mr. Willie Tuplin were callers at Mr. G. A. Howe's Sunday.

There are now new window shades in our school-room and we hope to be able to fence the school yard ere many months have passed by.

Mr. and Mrs. G. W. Carter were in Live Oak Saturday on business.

Miss Mollie Cason is having the fever. Hope she will soon be up again.

Gun Club at Inverness

Inverness now has a gun club, with the following membership: G. J. Boswell, president; Geo. W. de Muro, secretary and treasurer; T. S. Hensley, R. L. Turner, T. S. Russell, C. P. Savary, Kenneth Miller, E. A. Strout, H. W. Story, W. F. Warnock, J. E. Davis, G. V. Edwards, J. D. Stephens and W. H. Boswell. The range has been selected near Cooter pond, and traps, clay pigeons and other necessary paraphernalia have been ordered. Some of the members are crack shots, and no doubt good records will be made. At all events the meets will give excellent practice to the members, which will prove of great benefit to them when the bird season opens. — Inverness Chronicle. Some members of the Inverness Gun Club are known to be good shots, while some of them — the superscribe — is about as poor a shot as we know of in Florida. [illegible]

WOMEN'S WOES

Live Oak Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people in this locality.

Mrs. Harriet Wright, Columbia St., Lake City, Fla., says: "I suffered for years from a weak and aching back, and I also had frequent headaches that made me feel miserable. I had but little strength, and I was often very dizzy. I found that there was only one remedy that would relieve me, and that was Doan's Kidney Pills. This preparation always gave at once to the seat of the trouble and soon disposes of the pain. I have used Doan's Kidney Pills for years and from my experience I cannot praise them too highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

K. M. CLAYTON, President

Shooting at Hitchton.

Barney DeBusk, 11 years old, and John Mooney, 16 years old, living near Hitchton, were waylaid and shot early yesterday morning while returning home from a coon hunt. The latter boy was not seriously hurt, but the younger boy was so badly hurt that his wounds may prove fatal. Dr. Blitch was called, and is doing all in his power to save the lad's life. If the assassin can be apprehended, it will go hard with him, and it surely ought to.—Ocala Banner, June 13.
