Holly Hill

We are pleased to state that W. B. Heath, who for sometime past has been far from well, is now daily gaining strength.

Rev. W. Arnold, always a welcome visitor, called upon his Holly Hill parishoners Wednesday.

J. M. Dietrinson, of Kissimmee is daily expected, having rented for three months the house of Thomas Wetherel.

Mrs. G. W. Harris and Mrs. W. H. Heath were in Daytona Wednesday calling on friends.

Miss Mann paid us a friendly visit Wednesday.

Mr. and Mrs. John Byne returned on Monday from Pablo Beach.

Holly Hill possesses one registering thermometer, and so far this winter the coldest it has shown was last night when the indicative marked just freezing, now this same thermometer has not always recorded in our sunny clime, but once when at the north the murcury went to 40 below zero, so it turns below to register the cold and if Jack Frost had come before we should have known it, Our gardens show how favorable the weather has been for the truck growers. as tomatoes and beans are growing side by side.

As Holly Hill is to have a corner all its own in your esteemable paper, I would like to enter an appeal to the drivers of carriages and other vehicles to spare our bicycle path. It is of course, a great temptation when the roads are muddy to drive upon the only firm place, but during the recent rainy weather we have had many persons have thoughtlessly driven along our cycle path, and in places cut off from a foot to eighteen inches, and this to the beginners and inexperienced rider is a serious matter. The path is a great boon to the Holly Hillites and has been made and kept in order chiefly by them as the expense of considerable labor and no small outlay of cash. So please respect the privileges of the bicyclist.

A VILLAGE BLACK SMITH SAVED HIS LITTLE SON'S LIFE.

Mr, H. H. Black, the well known village blacksmith at Grahamville, Sullivan Co. N. Y. says: "Our little son, five years old, has always been subject to croup, and so bad have the attacks been that we have feared many times that he would die. We have had doctors and used many medicines but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tougue mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drugs and may be given as confidently to a babe as to an adult. For sale by Dr. J. M. Jones.
