THERESSA NOTES

Strawberries Being Shipped—A Mad Dog Creates Excitement.

THERESSA, FLA., April 1, 1895.

Editors TELEGRAPH:

I want to let the public know that Theressa is on a boom. The express now stops here to take on our berries, and today we shipped fourteen bushels. We have a saw mill which is doing a good business. I will give a lot to any person who will erect a building on it, and will sell them the lot adjoining.

There are about one hundred acres planted in melons in this vicinity.

There has been considerable excitement in our neighborhood for the last few days, occasioned by the presence of a mad dog in our settlement. He came here several days ago and several other dogs were bitten by him, one of which, a small one, he killed and devoured a large portion of. He got into my yard, but while getting my gun he jumped the fence, and though I fired twice he was so far I missed him. He is a large, red-gray dog, and it would be a good idea to be on the look-out for him, as he is dangerous and may cause serious trouble if not killed soon. I chased him with my hounds several miles in the direction of Starke.

The orange trees around here are budding out from one to ten feet above the ground.

The people in this section are going to farming in earnest this year, and they seem to be in good spirits. Strawberries are looking fine. J. H. MOORE.

The teeth should not be forgotton. The value of good teeth cannot be overestimated. Dental work properly done before it is too late spares one a great deal of pain, and will often preserve the teeth for a life time. Long practice in dentistry, as in all professions, makes perfect. I have had the practice and can guarantee good work. Office at residence southeast of F. C. & P. depot. J. O. Haynes.

Thanks.

I wish to express my sincere thanks to the ladies of Starke and vicinity for their presence and interest shown at my spring opening. It is evidence of the fact that the ladies of Starke know how to appreciate a good thing.

MRS. J. M. SCHRODER.

To the Tax Payers.

STARKE, FLA., April 24 1895.

Editors TELEGRAPH:

Allow me to announce through your columns that the county commissioners have, in their kindness, extended the time for collections till the first of May. Now I earnestly request that the people will not allow this time to pass.

I will be at my place of residence every day, except Tuesdays, on which days I will be at the courthouse.

Respectfully,

R. T. Dowling
Tax Collector.

Eason's fable of the belly and its members teaches the importance of the stomach to the general health of man. Without the capacity to properly assimilate food, the entire body must soon languish. It is for this reason that Ramon's Tonic Liver Pills stand as one of the most valuable remedies known to the medical profession. They eradicate constipation, correct a disordered stomach, tone up the system and repair all waste. Ask Starke Drug Co., your druggists, about this—only 25 cts. Free trial dose.

The State Commander writes us from Lincoln, Neb., as follows: "After trying other medicines for what seemed to be a very obstinate cough in our two children we tried Dr. King's New Discovery and at the end of two days the cough entirely left them. We will not be without it hereafter, as our experience proves that it cures where all other remedies fail."—Signed F. W. Stevens, State Com.—Why not give this great medicine a trial, as it is guaranteed, and trial bottles are free at the Drug Store of Starke Drug Co., and John A. King of Lake Butler. Regular size 50c. and $1.00. 6

"Perhaps you would not think so, but a very large proportion of diseases in New York comes from carlessness about catching cold," says Dr. Syrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to a cold. New York is one of the healthiest places on the Atlantic Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is, when you have one get rid of it as quick as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. Take Chamberlain's Cough Remedy. It will relieve the lungs, aid expectoration, open the secretions and soon effect a permanent cure. 25 and 50 cent bottles for sale by Starke Drug Co.

The Old Friend

And the best friend, that never fails you, is Simmons Liver Regulator, (the Red Z)—that's what you hear at the mention of this excellent Liver medicine, and people should not be persuaded that anything else will do.

It is the King of Liver Medicines; is better than pills, takes the place of Quinine and Calomel. It acts directly on the Liver, Kidneys and Bowels and gives new life to the whole system. This is the medicine you want. Sold by all Druggists in Liquid, or in Powder to be taken dry or made into a tea.
