DELEGATES TO THE STATE CONVENTION.

The U. D. C.'s Have Meeting at Which Much Business is Transacted.

The Anna Jackson Chapter of the U. D. C. had a call meeting at the home of Miss Carrie Brevard Tuesday evening.

The following ladies were elected delegates to the State Convention, which meets in Ocala in May:—Miss Mary Lewis and Mesdames R. C. Dunn and J. C. Byars.

Arrangements are being made for a proper celebration of Memorial Day on April 26th. Mrs. Howard Gamble will have charge of the music for that day. The name of the orator, together with the official program will be announced later.

Arrangements are also being made for a silver tea, which will be given at the Leon hotel the week succeeding Easter.

The ladies of the chapter, as well as many more of Tallahassee's good women, were highly edified by the visit of Sister Carlotta last week, and are hopeful that she may again honor the Capital City by her presence.

WITH D. R. COX AS CHAIRMAN.

A Branch of the State Retail Dealers' Association Organized Here.

A branch of the State Retail Dealers' Association was organized at the council chamber Tuesday night by the election of the following officers:

D. R. Cox, Chairman.

Frank Black, secretary and treasurer.

Rutledge Alford, Fred Hardee, J. W. Corbett and Zack Fenn, committee on membership.

The meeting for organization was a very representative one and very enthusiastic.

Another meeting will be held Tuesday night for the election of delegates to a State convention, which will be held some time next month.

The object of the organization is for the purpose of securing the enactment of certain laws needed for the protection of the merchant against fraudulent debtors.

A strong effort is being made to get every county in the State organized in this particular work. It promises much relief in the collection of debts and the prevention of bad accounts.

W. C. T. U. NOTES.

The National W. C. T. U. will celebrate Prohibition Rally Day Saturday, March 19, by a gift demonstration.

Look out for the tags.

The contribution of all is desired.

The Union observed Lillian Stevens and Union Signal Day Monday afternoon at the home of Mrs. J. B. Pruitt with a large attendance. A splendid program was rendered. In view of the fact that next Saturday will be Gift Day no offerings were taken. The ladies had the pleasure of meeting Mrs. George I. Deig, the State Treasurer, who is one of the most able workers in the State.

Three Assyrians, A. J. Karam, Geo. Karam and Joe Deeb, engaged in a fight on the streets Monday afternoon. Joe Deeb attacked George Karam, a 15-year old boy, and the boy's father, A. J. Karam, came to his aid. The affair attracted quite a bit of attention and might have led to serious results had not the police interfered. The case was given a hearing in mayor's court yesterday morning with the result that George Karam was discharged, Joe Deeb was fined twenty-five dollars, and A. J. Karam five dollars.

Four prominent gentlemen went down to Waukenah on Sunday in an auto to look over a fine plantation recently purchased by one of them. When they were ready to return home one of them began to crank up the engine, when it went to the bad on him. They could do nothing with it, and were forced to walk twelve miles to the nearest railroad station to get home. Another auto went after the disabled machine the next day.

Next week will be holy week so there will be special services at the Catholic church here. Sunday will be Palm Sunday, when at 10 o'clock a. m. the palms will be blessed and distributed as usual. At 7:30 Thursday morning the institution of the Holy Communion will be commemorated; on Good Friday, the Way of the Cross at 3 p. m. All are welcome to attend.

The entertainments of the Roney Boys, in previous years, in Tallahassee have been delightful, but the effort on Wednesday night was a disappointment to the large audience. There were only two redeeming features on the program. Mr. Roney must train his boys better if he expects to get appreciative audiences.

Mrs. B. H. Drew and little daughter, Martha, will leave tomorrow for Lake City to join Mr. Drew, after which they will go on to White Springs where they will spend several weeks. They have been at the Mickler House for the past month and have made many warm friends in the city.

Born, to Mr. and Mrs. E. S. Roberts, a daughter.
