AFFAIRS IN CUBA.

U. S. Consul Confirms Gen Weyler.

PROVINCES "PACIFIED"

Says Insurgents Have No Chance to Win Unless United States Assists.

OPINIONS WILL DIFFER

MEMPHIS, Tenn.—A special to the Commercial Appeal from Chattanooga Tenn., says:

Owen McGarr, United States consul at Cienfuegos, Cuba, confirms General Weyler's utterance. He says that General Weyler's claim that four provinces of the western end of Cuba have been pacified is correct. He gives it as his opinion that the insurgents have not the least chance of winning the fight unless the United States takes a hand.

Stands at The Head.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell merchant of Safford, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails and is a sure for Consumption, Coughs and Colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottles at Tombstone and Bisbee Drug Stores.
