KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 50c and $1 bottles, but it is manufactured by the California Fig Syrup Co only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

NEWS BY WIRE.

SAN FRANCISCO—The will of the late Joseph A. Ford of the firm of Murphy Grant & Co., was filed for probate today. A clause in the will cuts his wife off without a dollar, because she asserted that the only reason that that she did not ask for a divorce was the living she received from him. The bulk of the estate, valued at $100,000 is left to his 15 year old son.

SAN FRANCISCO— Precautions are being taken in the Chinese quarter to lessen the chances of cholera obtaining a foothold.

RICHMOND, MO.—The arraignment of Dr. Fraker, the insurance swindler has been postponed until next week. It is said the defence will attempt to show that Fraker was insane when he went away and that his mind is not yet entirely right. He has the confidence of the people, and the opinion prevails that he will not even be indicted.

DEER RIVER, MINN — One hundred and fifty Indians who have been working for Frank Vance gathering hay struck today and capturing Vance, threatened to burn him at the stake unless he acceded to their demands. The Indians declared they would scalp him before the torture began. Vance was badly frightened and got away from the Indians and remained in hiding until the red men had gone back to the reservation. The Indians were hired by Vance to cut hay at $2.50 per ton. The price was satisfactory to them until this morning when they learned the price of hay had advanced and the Indians then asked for $4 for cutting and putting up.

WASHINGTON—The Spanish government has yielded to the representations of the United States in the matter of the place of the payment of money in the settlement of the Antonio Mora claim, which will be paid in Washington on the 16th inst. After all assignments are satisfied he will have left nearly $800,000.

SAN FRANCISCO.—The taking of testimony in the trial of Theodore Durrant is proceeding slowly The prosecution is inclined to make speed but the defense seems to be treading on uncertainties and searching for technicalities. The defendant's attorneys, are continually seeking flaws in the testimony but have not found none that are material. It is said the defense will rely largely on the improbability of the prosecution proving the case beyond a doubt.

SMALL BEGINNINGS

Make great endings sometimes. Ailments that we are apt to consider trivial often grow, through neglect, into atrocious maladies, dangerous in themselves and productive of others. It is the disregard of the earlier indications of ill health which leads to the establishment of all sorts of maladies on a chronic basis. Moreover, there are certain disorders incident to the season, such as malarial and rheumatism against which it is always desirable to fortify the system after exposure to the conditions which produce them. Cold, damp and miasma are surely counteracted by Hostetter's Stomach Bitters. After you have incurred risk from these influences, a wineglassful or two of Hostetter's Stomach Bitters directly afterward should be swallowed. For malaria, dyspepsia, liver complaint, kidney and bladder trouble, nervousness and debility it is the most deservedly popular of remedies and preventives. A wineglassful before meals promotes appetite.

BEST MEDICINE FOR DIARHOEA.

Mr. Cooper, of this place, has been troubled with diarrhoea for three or four weeks and failed to get anything that would check it effectually, until he used Chamberlain's Cholic, Cholera and Diarrhoea Remedy, two doses of which effected a complete cure. He says it is the best medicine he ever saw for such cases. Also, that he had given it to several families and they always praised it.—R. L. Andrea & Bro., Sandy Flats, Greenville Co., S. C.
