KNOWLEDGE
Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.
Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, effectually dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and is perfectly free from every objectionable substance.
Syrup of Figs is for sale by all druggists in 50c and $1 bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

Oregon has just passed a law against fishing in the Columbia river on Sunday. It is intended to give the salmon a rest.

Coyotes are increasing greatly in some parts of Oregon. In Gilliam county the farmers, sheep men and merchants are asking for a bounty of one dollar apiece to be offered for every coyote killed, saying that the animals kill sheep, calves and pigs by the wholesale.

IT SAVES CHILDREN.
Last summer I was at a child suffering from bloody flux, when we came [illegible] a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I gave some of it to the child according to directions. It afforded almost instant relief and effected a permanent cure. I can cheerfully recommend it.—Geo. Jenkins, Cedar Creek, Tony county, Mo. Reader did you ever take SIMMONS LIVER REGULATOR, the "King of Liver Medicines?" Everybody needs a liver remedy. It is a sluggish or diseased liver that impairs digestion and causes constipation, when the waste that should be carried off remains in the body and poisons the whole system. That dull, heavy feeling is due to a torpid liver. Biliousness, Headache, Malaria and Indigestion are all liver diseases. Keep the liver active by an occasional dose of Simmons Liver Regulator and you'll get rid of these troubles, and give tone to the whole system. For a laxative Simmons Liver Regulator is BETTER THAN PILLS. It does not gripe, nor weaken, but greatly refreshes and strengthens.
Every package has the Red Z stamp on the wrapper. J. H. Zeilin & Co., Philadelphia.

NEWS BY WIRE.

SAN FRANCISCO—The California state railroad commission yesterday adopted a resolution of Commissioner Stanton, reducing all freight rates twenty-five per cent.

SACRAMENTO—In a six-round boxing contest at the Sacramento Athletic club last night between Wm. Johnson, instructor of the club and Australian Billy Smith, Johnson proved the victor knocking out Smith in the fifth round.

CHICAGO—At a general meeting of all lines of the Western Passenger Association it was decided that a rate of 70 per cent of the local rate should be granted for the Atlanta exposition effective on September 26th.

SAN FRANCISCO—Thirty men were discharged from the Southern Pacific shops yesterday and further reductions will be made in every department of the Southern Pacific service as a result of an order from New York that the working force of the company must be kept down to the same figure as this time last year before the strike.

SAN FRANCISCO—Now that the railroad commissioners have reduced freight rates 25 per cent the question what will the Southern Pacific railroad do about it, is of interest. It is understood that the courts will be asked to restrain the commissioners from enforcing the rates established on a showing that reduced rates would prevent the company from meeting its expenses.

CHEYENNE, WYO.—It is feared that if Indian agents continue to issue passes to Indians to hunt in the Jackson's Hole country, trouble will result. It is alleged the commander of the National park allows non-resident whites to go through the park into Jackson's Hole and take all the game they wish.

WASHINGTON—The following reports have been received at the surgeon general's office marine hospital service:

At Osaka, Hiogo, Japan for the two weeks ending August 1st, there were 1706 cases of cholera, and 717 deaths. At Kobe, Hiogo, for the week ending August 11th 246 cases and 193 deaths. At Rio de Janerio for the week ending August 17th 18 deaths from yellow fever. At Vera Cruz for the week ending August 19 there were 17 deaths from yellow fever.

PARIS—The French Government has asked the State Department to have the military attache of the United States Embassy at Paris attend the annual field maneuvers of the French troops today. General Saussier Military Governor of Paris, will be in command and the event is being arranged on such an extensive scale as to attract much attention in European military circles.

BEST MEDICINE FOR DIARRHOEA.
Mr. Cooper, of this place, has been troubled with diarrhoea for three or four weeks and failed to get anything that would check it effectually, until he used Chamberlain's Colic, Cholera and Diarrhoea Remedy, two doses of which effected a complete cure. He says it is the best medicine he ever saw for such cases. Also, that he had given it to several families and they always praised it.—R. L. Andrea & Bro., Sandy Flats, Greenville Co., S. C.
