UP AND DOWN THE EAST COAST.

Brief Mention of Minor Matters Occurring at Our Neighboring Towns.

COCOA.

Fine autumn weather now.

Mr. and Mrs. R.S.S. Grant, of Indianola, were visitors to our town last Thursday.

Mrs. Stahl, of City Point, was on a visit to Mrs. Lipp part of Friday and Saturday last.

Small shipments of oranges now go out almost daily; but no good fruit is yet sent to market.

Election day passed off very quietly in this burg; not a note of discord or disagreement being heard throughout the entire day.

Dr. and Mrs. DiBol, of New York, well known winter visitors, came in by Tuesday's train and are pleasantly ensconced in the Jarvis house cottage for the season.

Mr. and Mrs. R. F. Jones and children are back home again from their trip north in Indiana and elsewhere. The trip and vacation were greatly enjoyed by all.

Our postoffice is now located in the new town hall building, a much more pleasant and convenient room for the postmaster, but not so convenient or accessible for the public.

Much more interest attached to the primary than to the general election. The whole number of votes cast in this precinct was eighty; while the straight Democratic vote in the primary was fifty-nine

Large flocks embracing thousands of wild ducks have been seen within the past day or two flying southward. The proverbial oldest inhabitant says these ducks are the sign of heavy cold up north.

Our first touch of winter was felt last Sunday morning. The northwest wind brought down the yellow leaves in showers and the air was bracing to the thin-bloods, who had sweltered through the summer.

Miss Bessie and Master Clarence Smith, part of the family of Mr. and Mrs. H. J. Smith, arrived last Saturday and are busy putting their Rockledge residence in proper shape for the coming of the others of the family.

A young rattlesnake of the large kind was killed last Monday on DeLannoy avenue, near the Trafford bakery and just at the gate of O. K. Wood's premises. This is the second of the kind killed within the last ten days.

The schooner Seminole, Captain Fred. Cooper, arrived in port Tuesday evening from Lake Worth, where she has been in service as an eating house for the men employed about the Inn and Royal Poinciana hotel.

The residents in the southwestern part of our town are very much annoyed by the ravings of a poor, demented negro woman, who has recently become rather violent and possibly dangerous. Efforts are being made to have her taken to the insane asylum.

S. A. Barfield forebore to cast his ballot last Tuesday and instead took his trusty gun and sought the range that the deer frequent. Toward evening he succeeded in locating a big buck and a clear shot did the rest—bringing in the largest deer almost ever seen in these parts. There were eleven points to his branching antlers.

A number of our people heard the heavy detonations Wednesday afternoon of last week, about four o'clock, which have since been reported as the shocks of an earthquake. This scribe heard them very distinctly and looked to see the thunder cloud that probably produced them, but could not. It seems that the shocks were most severe in the vicinity of Jacksonville, but for some reason or other did not admit the earthquake, for they feared the state capital might have been endangered.

Dr. Loyal Ford's Dyspepticide is a cure, not a mere relief for indigestion. It digests the food and makes the stomach right. B. R. Wilson & Son.

SHILOH.

H. M. Nolle left Monday for West Palm Beach.

The singing given at the residence of Mr. and Mrs. James A. Taylor was largely attended.

W. C. Carpenter and bride left Monday for Titusville, where they will make their future home.

The dicky birds are whispering that we will not have long to wait before we will hear the wedding bells ringing in Shiloh again.

Miss Rosa Futch, of Titusville, arrived Thursday of last week to be present at the marriage of Miss Serena Griffis and Mr. Walter Carpenter.

Miss Serena Griffis and Mr. Walter Carpenter, of Titusville, were united in the holy bonds of wedlock Thursday evening at 7 o'clock, at the residence of the bride's parents, Mr. and Mrs. Manning Griffis; Rev. J. E. Mickler, of Titusville, officiating. Only immediate friends and relatives of the bride were preent. We wish them a long life of appiness and prosperity.

Several bargains in second hand and shop worn bicycles at THE STAR office. Now is your time to buy a wheel cheap.

GRANT.

Geo. F. Paddison, Eau Gallie's genial lumber merchant, was calling on our merchant, L. Jorgensen, last Wednesday.

Christian Christensen took the Misses Laura and Carrie Jorgensen and Miss China and G. W. Scobie, Jr., and Chas. Christensen for a moonlight sail one evening last week.

A few days ago the population of East Grant was increased by the arrival of a very fine little girl at the home of Mr. and Mrs. R. T. Smith. Mother and child are both doing well.

Mrs. Latham and her daughter, Mrs. L. K. Wells, of Oak Lodge, were visiting in Melbourne Thursday. Mrs. Latham returned Thursday afternoon, and Mrs. Wells remained in Melbourne with her friends until Saturday.

The young people of Grant met at the school house last Wednesday evening to celebrate Halloween. This was a left handed party, and caused a great deal of amusement. The party adjourned to the school house lawn, where they kept up their sports until the small hours of the night.

The Grant Literary society held its usual meeting last Saturday evening. The society, which is certainly a credit to its promoters, is always well gotten up; therefore it is always well attended by both young and old. As usual an interesting program was rendered. A few of the most pleasant features of the evening was a recitation by Miss Laura Jorgensen, which she delivered in a very charming manner.

Quite a sensation was created in Grant last Thursday evening when a certain young lady stepped out on the back veranda of her home, and saw some one, as she supposed, trying to commit suicide upon the clothes line. The young lady was very much terrified and rushed back in the house to tell the other young ladies of the "dreadful scene," as she expressed it. Of course, the other young ladies, who were not much braver than herself, were afraid to venture out in the yard, but at last they thought something would have to be done, so they resolved to go and see what it was. As the moon was not very bright they could not at first discern who it was, but on further examination they found, much to their relief, that it was no one but the first young lady's sister 'skinning the cat.' The young ladies of this place are becoming noted for their athletic sports, as some one passing by the hotel, White House, noticed two of the young ladies out on the lawn playing leap-frog, and seemingly enjoying themselves very much.

How To Gain Flesh

Persons have been known to gain a ***pound a day*** by taking an ounce of SCOTT'S EMULSION. It is strange, but it often happens.

Somehow the ounce produces the pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food, which he could not do before, and that is the way the gain is made.

A certain amount of flesh is necessary for health; if you have not got it you can get it by taking

Scott's Emulsion

You will find it just as useful in summer as in winter, and if you are thriving upon it don't stop because the weather is warm.

Mr. Eugene S. Randall invited a few friends to an excursion to the beach on his new alco-vapor launch Sunday.

Mr. James Quimby, of Pawtucket, R.I., arrived last week. He will probably invest in a winter home at this point.

Eau Gallie has twelve steam and gas launches in her fleet this year, and a large fleet of fishing and pleasure craft.

The prospects are that our town will be quite filled with northern tourists this season; very few houses remain vacant.

W.F. Vail, of Asbury Park, N.J., arrived in Eau Gallie last week. He owns pineapple land on the east side of Indian river.

Mr. and Mrs. C.B. Merrill arrived Monday on their way to their winter home at Tropic. The steamer Kathleen was chartered to carry them over the Indian river.

Miss Grace Cummings returned last Saturday to her pleasant home, Myrtle Cottage, Melbourne Beach, after spending several months north.

A number of friends met at West's hall last Tuesday evening in honor of Miss Jessie Goode's birthday. Mesdames Elizabeth Campbell and C. J. F. Campbell, the Misses F. Hodgson and Carrie Gard and Messrs. R. W. Beaujean and John Nicholson furnished music for dancing, which was enjoyed by the young people until near midnight. Miss Jessie was well remembered by relatives and friends, who sent her many very pretty and useful presents. Mr. Kingan Hodgson brought Miss Taylor and his sister, Miss Florence, down in his yacht, and Mr. P. Paddison drove down from Eau Gallie; all report a most enjoyable time.

Nice fish, pineapples, grapes, persimmans, lemons and apples at Fee & Stewart's. *

A. H. Thurness, manager Wills Creek Coal company, Buffalo, O., writes, "I have been affected with kidney and bladder trouble for years, passing gravel or stones, accompanied by excruciating pains. Other medicines only gave temporary relief. After taking Foley's Kidney Cure, the result was surprising. A few doses started the brick dust, little, fine stones, etc., and now I have no pain across my kidneys and feel like a new man. Foley's Kidney Cure has done me $1000 worth of good." B. R. Wilson & Son.

Crouching

In every cough there lurks, like a crouching tiger, the probabilities of consumption. The throat and lungs become rough and inflamed from coughing and the germs of consumption find an easy entrance. Take no chances with the dangerous foe. For 60 years there has been a perfect cure. What a record! Sixty years of cures.

Ayer's Cherry Pectoral

soothes and heals the wounded throat and lungs. You escape an attack of consumption with all its terrible suffering and uncertain results.

There is nothing so bad for the throat and lungs as coughing.

A 25c. bottle will cure an ordinary cough; harder coughs will need a 50c. size; the dollar bottle is cheapest in the long run.

"One of my sons was spitting blood with a high fever and was very ill. We could hardly see any signs of life in him. The doctors did him no good. But one bottle of your Cherry Pectoral cured him and saved his life." C. G. ANDERSON, Nov. 10, 1898. Pukwana, S. Dak.
