RIVER NEWS NOTES

COCOA

Born to Mr. and Mrs. R. M. Travis, July 8, 1909, a son.

We have had frequent showers of late and the orange groves needed them.

Cocoa was quite lively on Saturday having quite a number of visitors from the island.

Mr. and Mrs. E. P. Porcher and family returned to their home from Jacksonville on Wednesday.

Miss Maude Hindle came home last week, having had a pleasant visit with relatives in Jacksonville.

Mrs. E. E. Grimmes has a portion of the porch at the Cocoa House screened in for her canary birds.

Miss Pearl Bradford who, with her mother, has been visiting in Orlando and vicinity, arrived home Tuesday.

Mr. Thos. H. Sanders was a visitor in town on Saturday and his many friends were pleased to see him looking so well.

The lots of F. B. Hamilton and J. Haisten in the new addition have been cleaned and are ready for the new houses.

Mrs. H. S. Williams' buggy horse has been sick with the staggers for several days. Dr. Hughlett has kindly prescribed for it and there is hope for its recovery.

The box party for the benefit of the Methodist church was given at Miss Pearl Hendry's home as a surprise. All report an enjoyable evening. A very neat sum was realized.

Messrs. Mason and Hindle and families spent one day last week at the Veomet lake. They had O. K. Key's three seated carriage and drove out through the pine woods, returning home by river drive. Mr. Hindle's little pony carried the boys. They report a pleasant day.

The meeting of the orange growers on Saturday was well attended. Mr. M. Seabrook Sams was chosen as chairman and Mr. J. E. Bettler secretary. The following delegates will attend the meeting at Tampa, July 22: Messrs. M. S. Sams, R. J. LaRoche, M. S. Whaley, L. P. Allen, W. F. LaRoche, J. H. Sams and J. E. Bettler.

Mrs. J. P. Cooper is training the children for an entertainment to be given for the benefit of the Methodist church. There will be two plays—Red Riding Hood and the Black Statue—with selections between. As our children are unusually talented in this line and Mrs. Cooper always makes a success, we have pleasant anticipations for an evening's entertainment. It will be sometime during the latter part of the month.

Surf bathing was very fine, but the water was almost icy cold, a singular thing this warm weather.

The best pills made are DeWitt's Little Early Risers, the famous little liver pills. They are small, gentle, pleasant to take and act promptly. They are sold by Banner Drug Store.

DEATH OF MRS. JOHN HOUSTON

On Wednesday morning at 9:45 Mrs. John Houston passed from this world for the home beyond. Mrs. Houston had been ill for over six months, having suffered much during these last few months of her life. Her sweet Christian character was known and influenced by all.

She was confined to her bed for over a month surrounded by her loved ones and friends and everyone did all they could to make her last days a period of ease.

She was prepared to go and bade all those around her good bye. She was glad to go and will be at the gate to welcome them to that city beyond when their life's work on earth has ended. She loved everybody and all who came in contact with her life are better for having known such a Christian as she.

Her spirit has taken its flight and loved ones are left to mourn her presence in the home, but we know that she is safe with Jesus.

Miss Susan Stewart was born at Jasper, Fla., Oct. 8th, 1841. She was married to Capt. John Houston at LaGrange, Fla., Sept. 5th, 1860. To them eight children were born, three of whom died in infancy. She had four sisters and three brothers, all living except one brother and one sister. She had thirteen grandchildren and two great grandchildren. She lived on Indian river for forty-nine years.

About two months ago all her living brothers and sisters ate dinner with her for the last time.

She leaves many loved ones and friends behind, but some day all shall meet above where parting shall be no more. Safe in the arms of Jesus her soul rests; let all who knew her try to meet her on that happy golden shore.

CARD OF THANKS

We wish to thank all who were so kind to us during the last illness and loss of our loved one. Everyone did all that lay in their power, for which we do appreciate their kindness.

JOHN HOUSTON and Family.

DEATH OF H. U. HODGSON

After an illness of only ten days H. U. Hodgson died on Saturday evening at 7 o'clock. It was a dreadful shock to Mrs. Hodgson, who was spending some time in Lima, Ohio, and did not reach home until Sunday. She has the sympathy of the entire community. The funeral services were held in St. Johns Episcopal church Monday by Dean Robottom, after which they were concluded at the cemetery. Many friends and relatives attended the last sad rites over a man who was loved by all who knew him.

Beware of Constipation

It is the first or primal cause of many of our diseases. St. Joseph's Liver Regulator is an ideal treatment for constipation. It acts in a natural and easy manner (not by violent purging) and gently loosens the bowels, thus forestalling the long train of evils which result from the clogging of the system with offensive refuse. This remedy is a wonderful stimulator of liver, stomach and bowels, inducing and maintaining healthy natural action. Price, liquid, 50 cents a bottle; powders 25 cents a box, five boxes $1.00.

Stops Hair Falling
Ayer's Hair Vigor, new improved formula, will certainly stop falling of the hair. Indeed, we believe it will always do this unless there is some disturbance of the general health. Then, a constitutional medicine may be necessary. Consult your physician about this.
Does not change the color of the hair.

Formula with each bottle
Show it to your doctor
Ask him about it.
The reason why Ayer's Hair Vigor stops falling hair is because it kills the germs which cause this trouble. After this is done, nature brings about a full recovery, restoring the hair and scalp to a perfectly healthy condition.
