# Women Suffer

much needless pain when they delay using Cardui for their female troubles. Cardui has been found to relieve headache, backache, pain in the side and dizziness arising from deranged organs. It does more than relieve,—if used persistently,—many have written to say that it cured them.

# TAKE CARDUI

**It Will Help You**

Mrs. Maxwell Johnson, Tampa, Fla., writes: "Cardui cured me after doctors and everything else had failed. I had been suffering with numb spells ever since I was 16 years old. One day I decided to take Cardui. I have now taken 5 bottles and I can say that it has cured me. I advise all suffering women to give Cardui a long and fair trial."

Mrs. Johnson suffered years. Have you? Do you wish to? But why suffer at all? Take Cardui. Give it a fair trial.
