LABOR VS. CAPITAL.

Pensacola Dramatic Club Makes a Decided Hit.

The Pensacola Dramatic club made a decided hit at the opera house last night in their presentation of Mrs. Beatrice Marean's melodrama, Cherry, or Labor vs. Capital. And they played to a large, fashionable and well pleased audience.

The cast of characters was as follows:

Mark Goodwin, a carpenter ..... Ernest Elliott
Charlie Hilton, a mechanic ..... C. C. Goodman
Uncle Bob, a western ranchman ..... Clarence Tate, Jr
Rudolf Dean, a millionaire ..... Philip M. Ball
Billy Oliver, a bicycle sport ..... Elwood de la Rua
Jo Black, a tramp ..... William Johnson
Dennis O'Flanigan ..... A. Herman
Jack Williams ..... Bob Whiting
Jim Toney ..... Billy Adams
Frank Wolfe ..... John Neely
City Marshal ..... G. Vinestra
Cherry, carpenter's daughter ..... Susie Marean
Jennie Goodwin ..... Adele Chaffee
Mrs. Dean, a rich widow ..... Julia Moreno
Flossie Maxwell, diamond in the rough ..... Aurelie Marean

Mrs. Marean, the talented author, personally managed the presentation of the play and it was absolutely devoid of amateurishness.

Miss Adele Chaffee is possessed of rare histrionic talents and her emotional acting as Jennie Goodwin would have been a credit to the professional stage.

Miss Susie Marean as Cherry and Philip Ball as Rudolf Dean brought down the house by their realistic love-making scenes.

Miss Aurelie Marean made a cute, up-to-date Flossie and her dance was heartily applauded.

Miss Julia Moreno, as Mrs. Dean, was stately dignified and well suited to the part, which she acted with spirit.

The Mark Goodwin of Ernest Elliott, the Charlie Hilton of Calvin Goodman, the Uncle Bob of Clarence Tate, the Joe Black of Willie Johnson, the Billy Oliver of Elwood de la Rua were all splendidly acted.

The fire scene was realistic and exciting.

Pleasing specialties were presented between the acts by Misses McHugh and Rosasco, who danced gracefully and well, and the songs and dancing of the Highland fling by Miss Blanche McHugh so pleased the audience that she was repeatedly encored.

The violin duett by Miss Evelyn Heins and Miss Ada R sasco was finished and artistic and was loudly applauded.

As a rule Pensacolians do not patronize amateur performances very liberally, and the full house given the Pensacola Dramatic club last night was quite a compliment to their ability as actors.

Mrs. Marean was also highly complimented upon the excellence of her play.

THE MORNING WAY

Commends itself to the well-informed, to do pleasantly and effectually what was formerly done in the crudest manner and disagreeably as well. To cleanse the system and break up colds, headaches, and fevers without unpleasant after-effects, use the delightful liquid laxative remedy, Syrup of Figs. Made by California Fig Syrup Co.

Jack and the Beanstalk.

"Jack and the Beanstalk" is coming to the opera house next Monday night, and its advent will be hailed with delight by both old and young. There never yet was an attraction which toured this country, that has become so popular with all classes as "Jack." There is something in it to please everybody. It is a rare combination of all that is beautiful, scenically, bewildering in its mechanical and electrical ingenuity and gorgeous costuming. It has more pretty girls than any other organization which has ever appeared here and the management have shown good taste in their selection of the feminine contingent, not only in the principals but also as to the chorister and bumber participants in this most superb of extravaganzas. The saying "If eyes were made for seeing, then beauty is its own excuse for being," is well illustrated by the scores of beautiful and well shaped girls who are seen in the choruses, ballets and marches in "Jack." They well deserve the title so unanimously accorded them as being a veritable beauty show. They are all young, as well as pretty, and know how to sing. In the company there are a few changes which have been made for the better.

A Thousand Tongues

Could not express the rapture of Annie E. Springer, of 1125 Howard street, Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure—"it soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the Universe." So will every one who tries Dr. King's New Discovery for any trouble of the Throat, Chest or Lungs. Price 50c. and $1.00. Trial bottles free at W. A. D'Alemberte's Drug Store; every bottle guaranteed.

Symptoms of Weather.

The centre of high barometer pressure has drifted to the South Atlantic coast, accompanied by clear skies, freezing temperature, and heavy frosts southward to Pensacola and Jacksonville.

The barometer has fallen and it is generally warmer in the districts west of the Mississippi river.

Morning temperatures range from 2 degrees below zero at St. Paul and Marquette to 54 degrees at Key West.

It will grow warmer with increasing cloudiness in this vicinity tonight, and probably rain Saturday.

CENTRAL ROAD A WINNER.

Supreme Court Decides the Suit of Eatonton Folk.

ATLANTA, Feb. 1.—The suit of the state of Georgia against the Central railroad, in which the latter was alleged to be in violation of paragraph 4, section 2, article 4 of the constitution of the state, has been finally determined in a decision handed down by the supreme court.

Under the opinion of the court of appeals, which sustains the decision of Judge Hart of the Ocmulgee circuit, the Central railroad is not guilty of lessening or attempting to lessen competition in the sense of the constitution, and the purchase of the Middle Georgia and Atlantic railroad and the Eatonton branch railroad at Eatonton is held to be legal and the operation of these two roads by the Central cannot be enjoined.

The suit against the Central was inaugurated by the citizens of Eatonton, Ga., who claimed that the Central by the purchase of the Middle Georgia and Atlantic, had materially injured the business prospects of the town by destroying whatever competition had ever existed there.

Burned to Death In a Car.

BOONEVILLE, Miss., Feb. 1.—W. T. Etheridge, an old and well known railroad man, was burned to death here last night in his boarding car. He was foreman of a gang now laying steel near this place. The origin of the fire is uncertain and it is not known whether he was suffocated or murdered. He was a resident of Jackson, Tenn., where he leaves a family.

Phelps Is Now Very Weak.

NEW HAVEN, Feb. 1.—The condition of Edward J. Phelps, ex-minister to England, is unchanged today. His attending physician says that the pneumonia has disappeared entirely and that no danger is anticipated from that source. But the severe illness has left Mr. Phelps very weak and his condition is considered most critical.

Gadsden Merchants Kicking.

GADSDEN, Ala., Feb. 1.—The Gadsden merchants and cotton men claim to have been done a great injustice by the railroads pooling on charges for handling cotton. Vigorous kicking has been done and may result in the railroads making proper amends in the future.
