MURDERED OVER A MATCH.

Quarrel of Two Young Friends Results in a Killing.

ATLANTA, March 3.—The coroner's jury impaneled this morning to inquire into the death of Edward Brooks, who was shot last night by his friend, Lucius Adkins, found that Adkins should be held for further investigation, and he was committed to jail.

The affair occurred on the fourth floor of the drygoods house of J. Regenstein on Whitehall street late last night. There were no eyewitnesses to the killing, although the facts at hand corroborate the story of Adkins, who represents that he killed his friend in self defense.

Two shots were fired, one entering the nose of the dead man and the second striking just to the left of his right eye and grazing the bridge of his nose.

Young Adkins is from Thomson, Ga., where his widowed mother resides. He is the nephew of A. J. Adkins of this city, and resides with his uncle at 85 Auburn avenue. He is 17 years of age.

Edward Brooks was about 18 years of age and was the son of E. A. Brooks of Jefferson, Ga. He was also the brother of John Brooks, manager of the Blood Balm company, and has other brothers in this city.

He was well liked by the clerks at Regenstein's store and his death last night was deeply regretted by all of them.

Glorious News

Comes from Dr. D. M. Carpile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of eczema, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but Electric Bitters completely and permanently cured her." This shows what the results have proved—that Electric Bitters is the best blood purifier known. It is the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by W. A. D'Alemberte, Druggist. Guaranteed.

HERO TO VISIT KNOXVILLE.

Admiral Dewey Will Be Welcomed In Farragut's Home.

KNOXVILLE, March 3.—Congressman Henry R. Gibson, who is here, received a letter from Admiral Dewey stating he would be in Knoxville, May 5, in acceptance of the invitation of the chamber of commerce of this city.

Preparations will be made to give him an elaborate reception. Among other points of interest he will be shown the birthplace and home of Admiral Farragut, under whom he served in the civil war. Farragut was a native of Knox county.

Two of Admiral Dewey's officers on the Olympia were Knoxville men, Lieutenant Valentine Nelson and Chaplain J. B. Frazier.

It is very hard to sit quietly by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) dairyman called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped would give some relief until the doctor should arrive. In a few hours he returned, saying the doctor need not come, as the child was much better. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country. For sale by Hannah Bros., 21 South Palafox street.

Alabama Development.

BIRMINGHAM, Ala., March 3.—The directors of the Pawnee Land company, who reside in Savannah, Ga., and are also directors of the Central of Georgia railroad, after an inspection of the company's recent purchase of 10,000 acres of Blount county mineral lands, have practically determined to open extensive coal and ore mines, build coke ovens and erect one or two iron furnaces, the whole calling for an outlay of $750,000 or more. The company has experts at work testing ore and coal veins on the lands, and special reports of these experts caused the above announcement to be made today.
