The Liebig Dispensary for the treatment of all Chronic, Private and Complicated diseases has been established in San Francisco for nearly a quarter of a century. The Dispensary building occupies the entire corner of Geary and Mason streets, San Francisco, and is the only Medical and Surgical Institute on the Pacific Coast that has its own elegant Drug Store in Dispensary building, employing regularly graduated chemists and scientific Surgical Instrument makers to manufacture all Surgical Instruments for the patients of the Liebig Dispensary; also to prepare the celebrated Dr. Liebig's wonderful German Invigorator. To the marvelous cures and discoveries made by Dr. Liebig & Co. are due all the great successes they have had. In treating they discovered the complicated Prostatic ailments, resulting from youthful improprieties and excesses of maturity or unskillfully treated cases of a specific nature, that from inheritance had prevented thousands from being cured of nervous debility, physical weakness and premature losses from the system, resulting from follies of youth. Dr. Liebig & Co. have every improved remedial agent known to medical science, including the schools of Homeopathy and all others, taking from the Allopathic all that is useful and adopting surgical instruments to the various ailments and deformities, attaching to appliances magnetism and electricity. Successful treatment guaranteed in all curable cases or no fees required.
SURGICAL BRANCH.
The Doctors will give personal attention to diseases of the Chest, Head and Throat, Catarrh, diseases of the Liver and Kidneys; also to deformities requiring Surgical appliances. Balance of treatment conducted from the Liebig Dispensary, San Francisco, Cal.

Warner's SAFE Cure
Sold, to Dec. 27, 1886.
No Other Remedy in the World Can Produce Such a Record.
This wonderful success of "Warner's Safe Cure" is due wholly to the merit of the Remedy. For a long time it has been REGARDED BY THE HIGHEST MEDICAL AUTHORITIES AS THE ONLY EFFICIENT REMEDY FOR KIDNEY, LIVER AND URINARY DISEASES AND FEMALE COMPLAINTS.
Thousands of people have written to us that "Warner's Safe Cure" has wrought a marvelous effect.
Read the following and note the large number of bottles distributed. We guarantee these figures to be correct, as our books will prove.
Boston, - - 1,128,172.
CAPT. W. D. ROBINSON (U. S. Marshal's Insp., Buffalo, N. Y.) in 1882 was suffering with a severe attack of leprosy. Could not walk; was in great agony. For two years tried everything, without benefit. Was pronounced incurable. "Twenty bottles of Warner's Safe Cure completely cured me, and to-day I am strong and well." (Feb. 5, 1885.)
Providence, - - 171,929.
EX-GOV. T. G. ALVORD (Syracuse, N. Y.) in 1884 began running down with General Debility, accompanied with a sense of weight in the lower part of the body, with a feverish sensation and a general giving out of the whole organism. Was in serious condition, confined to his bed much of the time. After a thorough treatment with Warner's Safe Cure he says: "I am completely restored to health by its means."
Portland, Me., - - 441,105.
MAJOR S. P. ABBOTT (Springfield, Mo.), in 1871 was afflicted with lame back, Rheumatism and Kidney trouble. Consulted the very best physicians in San Francisco, and visited all the mineral springs there. Took a health trip to the New England States, but for seven years suffered constantly from his malady, which had resulted in Bright's disease. After using a couple dozen bottles of Warner's Safe Cure, and two of Safe Pills, he wrote: "My back and kidneys are without pain, and, thank God, I owe it all to Warner's Safe Remedies."
Bal. of New Eng., - 441,753.
MRS. J. T. RITCHEY (562 4th Ave., Louisville, Ky.) was a confirmed invalid for eleven years, just living, and hourly expecting death. Was confined to bed ten months each year. Was attended by the best physicians. Her left side was paralyzed. Could neither eat, sleep, nor enjoy life. The doctors said she was troubled with female complaints; but she was satisfied her kidneys were affected. Under the operation of Warner's Safe Cure she passed a large stone or calculus, and in Nov., 1885, reported, "Am to-day as well as when a girl."
New York State, - 3,870,773.

COL. JOSEPH H. THORNTON (Cincinnati, O.) in 1885 reported that his daughter was very much prostrated; had palpitation of the heart, intense pain in the head, nervous disorder and catarrh of the bladder. She lost fifty-five pounds. Other remedies failing, they began the use of Warner's Safe Cure, Safe Pills and Safe Nervine, and within three months she had gained fifty pounds in weight and was restored to good health. This was three years ago, and she is still in as good health as ever in her life. Col. Thornton, himself, was cured of chronic diarrhœa of seventeen years' standing, in 1881, by Warner's Safe Cure.

REV. J. ALLEN (Leavenworth, Kan.) in 1880, two years of age, was left in extreme case of dropsy, and the doctors gave him up. By the advice of the doctors began the use of Warner's Safe Cure, and after taking seven bottles he was perfectly well and has had no relapse.

After having been under treatment by Warner's Safe Cure for one year, she reported, "I am as well as anyone."
