REAL ESTATE SALES.

SPLENDID PROPERTY FOR SALE.

I WILL sell upon favorable terms, or exchange for city property, my Ellzo Tract, embracing about twelve hundred acres of land, Tavern House, Store, Warehouse, Turnpike Road and Ferry across Caney Fork River.

There are about one hundred and twenty-five acres of rich Cane Fork bottom Land, cleared and in cultivation. The timber is unusually well timbered, and a part of it very rich, and has upon it a quarry of very good Marble. The Caney Fork river is navigable to this point for some six months of the year, and the location is an excellent one for a long haul, iron, Dry Goods, &c. The Tavern stand is one of the best between Nashville and Knoxville. The toll-gate and ferry are a continual source of income, and taken altogether, this is one of the most desirable pieces of property, for the price asked, in Tennessee.

Those wishing to buy or exchange would do well to call on me forthwith. A. L. DAVIS,
dec15—tf. U. S. M. Packet Office.

Land for Sale.

I OFFER for sale (700) SEVEN HUNDRED ACRES OF LAND lying on the Columbia Central Turnpike Road, seven miles from Columbia and four from Mt. Pleasant, being a part of the tract on which I now do.

This Land is equal if not superior to any in Maury county in well watered; (the celebrated Devers Spring being on the part offered for sale) well timbered and well improved. There are on the premises some beautiful building sites fronting the Turnpike and the contemplated Rail Road. It will be divided to suit purchasers or sold in a body.

For further information apply to me at Ashwood P. Office, Maury county, Tennessee. LUCIUS J. POLK.

Mount Olivet Cemetery.

THE Directors of this Company now announce to the Public, that this Cemetery has been laid off with suitable avenues and walks, and a portion of the grounds subdivided into Family Lots, which are now offered for sale.

The map of the grounds can be seen at the office of Lindsley & Crockett, where the public are invited to call and examine the same.

The Company feel confident they could not have made a more suitable location for a Cemetery in the vicinity of Nashville, and pledge themselves to the public to spare no money or pains to make it equal to any Cemetery in the Union, and such a one as Nashville may feel some pride in.

The Cemetery is now in the charge of a competent Superintendent, living on the ground, under whose direction interments will be made in the best manner and at the usual charges.

The Directors of the Company are desirous that the grounds should be visited by the Citizens of Nashville, and for that purpose an omnibus will leave the office of Lindsley and Crockett, at 4 o'clock on Tuesday afternoon the 3rd inst., and on every Friday afternoon thereafter at the same hour. The seats will be free.

Ladies and Families desirous of visiting the grounds, will be called for at their residences, by sending their cards, to the President of the Company.

A. V. S. LINDSLEY, President.

SINGER'S SEWING MACHINES.

THESE celebrated machines are in practical and profitable use in all parts of the civilized world. In all the various trades, and in sewing every sort of fabric, either of cloth or leather, they have been fully tried and approved. Sewing machines of other manufacturers often fail to work, but SINGER'S MACHINES ALWAYS OPERATE PERFECTLY, being strong, durable and complete in contrivance and workmanship. A perfect sewing machine kept employed affords a clear profit of $1,000 a year but an imperfect one is a cause of constant vexation and loss. The entire reliability of our machines is one great reason for their unparalleled popularity.

MACHINES FOR FAMILY SEWING,

of a full and delicate construction, are recommended by other manufacturers. Such machines are made to catch the eye, not to perform substantial work. The truth is, family sewing machines ought to be much stronger than any dealer, however they may turn into skillful hands than when sold to manufacturers, and are used for a greater variety of work. The machines which have proved best for all other purposes must be best for family use, and they are Singer's. The speed of our machines has lately been doubled. No other one can compare with them in quantity of work.

☞ New machines of the latest improved style will be exchanged on liberal terms for old sewing machines of our own make, or for operative machines of other manufacturers. Local agents wanted to sell our machines. ☞

N. B.—All persons desiring full information about sewing machines, can obtain it by applying for a copy of "I. M. Singer & Co.'s Gazette," a paper devoted to the subject. It will be sent gratis. I. M. SINGER & CO.

IMPORTANT TO EVERYBODY.

FOR the last three years I have been engaged in a business known only to myself, and, comparatively, few others, whom I have instructed for the sum of $200 each, which has averaged me at the rate of $2,000 to 3,000 per annum; and having made arrangements to go to Europe in the Fall of 1857 to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canadas, who will remit me the sum of $1. I am indeed, from the success I have been favored with, and the many thankful acknowledgements I have received from those whom I have instructed, and who are making from $5 to $15 PER DAY at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable, for a small cost, there is positively no Humbug in this matter. References of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they are making from $5 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania and Maryland, whom I have instructed, are now making from $3 to $6 per day by it. It is a general business, and but a few dollars are needed to start it. Upon the receipt of $1, I will immediately send to the applicant a printed circular containing full instructions in the art which can be perfectly understood at once.

All letters must be addressed (post paid) to

NEW AND IMPORTANT

Discovery in the Science of Medicine.

ENGRAVINGS OF THE SEALS OF THE PATENT OFFICE OF GREAT BRITAIN, ECOLE de PHARMACIE PHARMACIEN de PARIS, AND IMPERIAL COLLEGE OF MEDICINE, VIENNA, are affixed upon each wrapper, and around each case of

Triesemar No. 1, 2, and 3.

This protecting the public against fraudulent imitations,—which are liable to the severest penalties courts of law can award.

DR. H. A. BARROW, Member of the Imperial College of Vienna, and Royal College of Surgeons, London, may be personally consulted at his residence, 157 Prince street, (few blocks west of Broadway) New York, from 11 in the morning until 2 and from 4 till 8 in the evening, (Sundays excepted,) unless by special appointment.

TRIESEMAR No. 1, is the Remedy for RELAXTION, SPERMATORRHŒA, and all the distressing consequences arising from early abuse, indiscriminate excess, or too long residence in hot climates. It has invigorated and restored to perfect health, thousands of the debilitated who are now in the enjoyment of all the Functions of Manhood; and whatever may be the CAUSE, every DISQUALIFICATION for MARRIAGE is effectually subdued by this Wonderful Discovery!

TRIESEMAR, No. 11, completely and entirely eradicates all traces of Gonorrhœa, both in its mild and aggravated forms, Gleets, Strictures, Irritation of the Kidney, Retention of the Urine, Pains of the Loins and Kidneys, and those disorders where Copaiva and Cubebs have so long been thought an antidote, to the ruin of the health of a vast portion of the population.

TRIESEMAR, No. III—is the great Continental Remedy for Syphilis and secondary Symptoms. It is the only certain cure for Secrecy, Scrofula, and all impurities from the vital stream, so as altogether to eradicate the virus of disease, and is a never failing Remedy for that class of disorders which unfortunately the English physician treats with Mercury, to the inevitable destruction of the patient's constitution, and which all the Sarsaparilla in the world cannot remove.

TRIESEMAR, No. 1, 2 and 3, are prepared in the form of a lozenge, devoid of taste or smell, and can be carried in the waistcoat pocket. Sold in the cases, and divided into separate doses, as administered by Valpeau, Lallemand, Roux, Ricord, &c., &c. Price $3 each, or four cases in one for $9, which saves $3; and in $27 cases, whereby there is a saving of $9.

Special arrangements having been made with the various Expressers, the one dollar cases of Triesemar, and the larger sizes, are forwarded by Dr. Barrow, carriage paid, immediately on receiving a remittance, to any part of the world, securely packed and addressed according to the instructions of the writer, thus securing to the public genuine European preparations, and effectually protecting them from spurious pernicious imitations. The three dollar cases sent as usual, but not free of carriage.

To be had also, from Dr. Barrow, that beautifully illustrated and popular work, "HUMAN FRAILTY, or PHYSIOLOGICAL RESEARCHES" It describes in a clear and neat manner the cause and effects of the diseases above enumerated, with instructions for their proper treatment and cure. Price 25 cents. Sent free to any address.

Address DR. BARROW, 157 Prince Street, (few blocks west of Broadway,) New York. nov5—1ydv.
