...r Tragedy.

... usual quiet of our neighbor-
...ro' was broken, on Monday last, ... nce of a shocking tragedy. Two young m... were shot by another named Fly. It appears that one of them, a Mr. Thompson, had insulted Fly's father; and that subsequently young Fly, having met and had some words with Thompson, became exasperated, drew a pistol and shot him. He then fired another shot which took effect upon a bystander, Mr. Simmons, who was in company with Thompson when the parties met. Both the young men were shot in the breast, and are thought to be mortally wounded. They were not students of Murfreesboro', but were there, students of Union College. Fly immediately made his escape.

REMOVAL.—The office of the Clerk of the Chancery Court has been removed to Campbell's new building on Union street.

☞ "CLARA" shall have a place to-morrow.

Maj. A. J. Donelson arrived at home yesterday from his plantation in Mississippi.

THE CAMPBELLS.—A very large audience greeted this company on their first appearance, Monday night. The company has undergone some change since it was here last; but we cannot discover that it has sustained any loss by the change. The audience appeared highly pleased with their perform ances, and we doubt not their engagement will prove highly successful. We advise those who may wish to secure seats for this evening to do so early, as a great rush is anticipated.

AUCTION SALE OF GROCERIES.—Lellyett, Ewing & Co., will offer a very large stock of fine Groceries this morning at their store, on Market street. And in addition they will sell a splendid lot of superior liquors. See their advertisement in this morning's issue.

☞ The July number of the "*Nashville Journal of Medicine and Surgery*" was laid upon our table yesterday. Its table of contents indicate that it is even more interesting than usual.

☞ We call attention to the sale of that very valuable lot, situated on Cherry street, adjoining the Union and American Office, which is to take place on the 7th inst., (next Tuesday.) It is only necessary to refer to the location of this property, in the immediate vicinity of the Post office and the proposed Custom House, to secure for it a purchaser. The terms are very liberal, being one, two and three years credit.

COTTON SEED PLANTER.—The reader's attention is directed to the advertisement of Mr. H. L. Justice in this morning's issue. He is offering an opportunity to those who wish to engage in manufacturing a useful and necessary machine, that will undoubtedly prove a profitable investment.

TYREE SPRINGS.—The keeper of these justly celebrated Springs, Mr. MOSHER, arrived in the city last evening. He is on a "recruiting expedition" in the choice and delicate line, in order to keep a full supply of the luxuries of the season on hand, for the increase of his guests.

BUILDING ASSOCIATION.—The monthly meeting of the Nashville Building Association will take place to-night at the usual place. Stockholders will please attend.

Order of Procession for the 4th of July Celebration.

2d—Music. Brass Brand.
3d—Twelve young Ladies in carriages.
4th—Printers Press—printing the Declaration of Independence.

M. R. Fogg, Esq., and an oration suitable to the occasion will be delivered by RANDALL W. MCGAVOCK, Esq. All citizens are respectfully invited to join the procession. Every needful preparation has been made to make it gay and festive. First rate music, good dinner, and plenty for all, with ample provisions for those who may wish to enjoy the festivities of the day.

A HOLLANDER'S TESTIMONY.—Jacob Rinsker, living in the Holland settlement of Sheboygan, Wisconsin, says: "After suffering for some time the misery attending an utter prostration of mind and body, I have been restored by using BOERHAAVE'S HOLLAND BITTERS, to perfect health."
The fact of this remedy being in such high repute among the Hollanders in Wisconsin, Michigan, New York, in fact in every Holland settlement in the United States, argues much in its favor.
