Presents for the Holidays.

Our friend B. F. Shields, determined not to be outdone in presents-making these holiday times, has advertised 2,000 valuable presents to be given away after the following very liberal plan—to every purchaser of a splendid motto cup and saucer, for only three dollars, he gives a present, varying in value from 50 cents to 100 dollars. See his circulars for full particulars.

☞ Bruce, the Wag, the Auctioneer, the Jewelry-man, the Book-seller, the China-vender at the, old post office corner, is in receipt of a Safe, a money safe, which by estimation will contain 500 bushels, dry measure, more or less.

If his receipts bear any proportions to the contrivances for its preservation, Bruce is, or will be a millionaire.

☞ We take pleasure in calling attention of our readers to the hardware house of Messrs. McCall, Vedder & Co., No. 44, South Market street. These gentlemen will be found attentive and obliging, and are now offering all goods for less than market value to cash or prompt paying time customers. We solicit for them an investigation of their stock and prices by all that visit this market.

Hard Times—Prices to Correspond.

Owing to the tremendously tight times on and after Monday, 14th of this month, and January, 1858, we propose to offer our stock of dry goods at cost for cash. We don't do this to run off a lot of old goods, for our stock is nearly and new, having been in business but a short time, but be cause we wish to reduce our stock on hand.

We have a splendid lot of Velveteen Cloth Cloaks, Black and Fancy silk, Embroideries, Laces, &c., white and Linen Goods, besides a great many different kind of goods which it is needless to mention. Come one, come all, if you wish to buy better bargains than you have had an opportunity of doing for a long time.

COMPLAINING.—We have heard repeatedly during the last few days, persons complaining of weakness and debility. We would say to all such, get some of McLEAN'S STRENGTHENING CORDIAL AND BLOOD PURIFIER. It is beyond all doubt the only remedy that will renovate and strength n the system. The immense demand for it from all parts of the United States, is proof enough of its beneficial effects. We know by experience that it is a delicious remedy to take. Call and try it. See the advertisement in another column.

Weakness of the Stomach and Indigestion.

Another great cure effected by Boerhave's Holland Bitters.

The wife of PETER DE WITTE, living in Holland Town, Sheboygan county, Wisconsin, suffered much from *Weakness of the Stomach and Indigestion.* She had been under a physician's care for some time, but the disease seemed to baffle even his skill. She purchased one of HOLLAND BITTERS at our office, which has given tone to her stomach; her appetite and strength are returning, and we firmly believe that this is another great cure effected by your medicine.

We have still to record many wonderful cures effected by this remedy, but must wait another opportunity. One thing you can rely upon, what we have published are from persons much respected in our community, and are literally true. J. QUINTUS,

Ed. Sheboygan Nieuwbode, Sheboygan, Wis.

If you are sick, the probability is that the root of your sufferings is in the stomach. From a weak stomach proceed dyspepsia, languor, oppression in the diaphragm, jaundice, headache, nausea, bodily weakness, dimness of sight, heartburn, costiveness, dysentery, and a legion of other tormenting diseases. Indigestion produces thin blood, and therefore destroys the strength and vigor of the system. To restore the tone of the stomach, and enable it to throw off and dismiss forever all these tormenting and dangerous complaints, nothing is necessary but a persevering use of Hoofland's German Bitters, prepared by Dr. C. M Jackson, Philadelphia. There is no mistake, no failure in their sanative effects.

For sale by druggists and storekeepers in every town and village in the United State, Canadas, West Indies, and South America, at 75c per bottle.

Weekly Review.

There has been some slight improvement in business since our last weekly report; especially in the grocery market caused probably by the near approach of the holidays.

The money market continue tight. The prices of bank notes, exchange, &c., will be found in table below.

COTTON.—There is nothing doing in our cotton market, the fluctuations abroad causing purchasers to hold off.

TOBACCO.—The market is inactive. We hear of sales of loose at 3@3½c. per ℔ for lug; and 4½@5½c for leaf.

FLOUR.—The demand continues steady, and stock abundant. We quote fine at $3 [illegible]@$4 00 ℔ bbl; superfine $4 25@4 75; and extra brands $5@$6.

WHEAT.—There is a falling off in the sales of wheats, an undue proportion of that offering being of inferior quality. Good merchan able wheat will bring from 60@75c ℔ bushel and is in demand.

PROVISIONS.—New bacon is now held at 9c, small supplies coming in. The demand for hogs is unabated, but prices are drooping. Buyers will not pay more at present than 4½@4¾c. ℔ ℔ net. Lard is selling at 8@8½c.

SUGAR.—The stock of sugar has been considerably augmented by recent arrivals, and is now large. We quote at 6½@8¾c. ℔ ℔ by the hogshead; in bbls ¾c is added.

COFFEE.—Rio is selling at 11¾@12½c ℔ ℔.

MOLASSES.—New Orleans is held at 28@30c ℔ gallon; sugar-house 45@50c.

RICE.—Is a figure lower, being held now at 5¾@6¾c ℔ ℔.

SALT.—bbl Salt is still held at 30c ℔ bushel; fine Salt $1 15; coarse $1 15.

LARD OIL.—Manufacturer's prices $1 05 ℔ gallon; in second hands $1 80@$1 85 ℔ gallon.

WHISKY.—Supply large. Selling at 18@20c ℔ gal.

COTTON.—Nothing done since receipt of steamer's accounts. About 250 bales were sold previously at Saturday's rates. Middling Fair 9⅞@10c.

Charleston Market.

CHARLESTON, Dec. 21—P. M.

COTTON.—Owing to the inclement weather there were few buyers. Sales to-day 150 bales previous to the steamer's news, at 9¾@10½c.

New Orleans Market.

NEW ORLEANS, Dec. 17—night.

SUGAR.—Good demand, but prices easier for buyers who have taken about 1000 hhds. Fair 4½@5¾c. On plantation 150 hhds. have been sold at 5¾c; 70 at 5⅞@5¾c.

MOLASSES.—Prices have fallen off slightly, the sales reaching 1000 bbls, mostly at 19@20c., and 600 half bbls. at 23@25c ℔ gal.
