AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF
Colds, Coughs and Hoarseness.

BRIMFIELD, MASS., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Colds, Coughs, Hoarseness, Croup, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. It contains more in my practice and my family for the last three years than human skill to possess in other virtues for the treatment of the complaints.

EDEN KNIGHT, M. D.

A. R. MORTIMER, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Hooping Cough, Influenza.

SPRINGFIELD, MISS., Feb. 7, 1856.

MOTHER AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest disease of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTREAL, Ia., writes, 31 Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without benefit; tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; two more cured the cough and I am entirely well. Your medicines are the cheapest as well as the best we can buy, and we rely on you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your CHERRY PECTORAL is performing marvellous cures in this section. I know of several persons who had the symptoms of consumption and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., Amherst, Hunterdon county, Iowa, Nov. 6, 1855: "During my practice of so many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

I might add volumes of evidences, but the most convincing proof of the virtues of this remedy is found in its effects upon those

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach but even to those the CHERRY PECTORAL affords relief and cure for.

AYER'S HOUSE, NEW YORK CITY, March 5, 1856.

DR. AYER: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, commenced with a bottle of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is now as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,
OFLAND BO SHELBY,
of Shelbyville.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—Boston Daily Ledger.

Persons of Consumptive Habits, Read This!

TO THE GREFENBURG COMPANY: For the first time I am induced to certify to the truly wonderful effects of a popular medicine, but in sending you the certificate I feel that I am only discharging a duty that I owe to the Grafenberg Company, and more especially to suffering humanity.

About the first of June last I had a negro man taken with a cough, attended with restlessness, spitting of blood and other dangerous symptoms of a decided consumption. Immediately called in a truly skilful and scientific physician, who told me it was a case of consumption. He treated him for several weeks, but he gradually grew worse. I then had another physician of great reputation in my neighborhood. He examined him, and also decided it to be a hopeless case of consumption, and said it was useless to spend money in trying to cure him.

I had previously promised the Grafenberg Agent here, (Messrs Wells & Jewell,) that when the doctors gave him up I would try the Grafenberg Consumptive Balm. I did so, and to everyone's surprise, the medicine did prove after taking only five or six doses. He took only two bottles of the Balm and three bottles of the Grafenberg Syrup. The Compound, which cost me a small sum of nine dollars, and I truly I consider him entirely cured. He is worth $1,200, and he is doing the good service on the plantation I consider him perfectly sound and we! as he is fat, hearty and strong, without a vestige or sign of disease left.

JOHN MYERS,
Gadsden, Ala

I have used the Grafenberg Consumptive's Balm in several cases of consumption, in my practice, with the happiest effect. I wish all would use it.

S. MEDARIS, M. D.,
Tuscumbia, Tenn.

The Grafenberg Consumptive's Balm will effectually cure Consumption and all complaints of the Lungs, as Asthma Coughs, Colds, Hoarseness, Liver Complaint, Difficult Breathing, Pains in the Chest, and Bronchitis, the most latent, long standing cases. Balm will effect a complete cure and prevent the disease from becoming a confirmed consumption. In all cases it relieves and ameliorates. They are in hundred fold to all diseases having a tendency to Consumption. We feel fully advised in pronouncing the Consumptive's Balm in season.

☞ The price of the Consumptive's Balm is $3 per bottle.

Mott's Patent
AGRICULTURAL FURNACES.

THIS article was contrived in consequence of a suggestion from the American Institute, that a simple, profitable, and low-priced furnace was much needed by farmers for boiling and steaming food, and for many mechanical and domestic purposes. THE GREATEST INVENTION OF THE AGE.

West's Patent Galvanic Cement
For Roofing.

THE subscriber is now prepared to cover roofs of buildings with a new and better article than ever before known. The public are aware that our Government has had scientific men experimenting, and that it has been the study of Architects and Builders for years, to discover an article for roofing purposes, that would stand the sudden changes of the weather, and be imervious to fire and water, and remain a permanent fixture. As yet, nothing has been attained without costing more than the people wish. The contraction, expansion and rusting of metal roofs, are so great in changeable climates, that they become useless, unless being repaired at great expense yearly. Shingles are not fire proof and cannot be used on flat roofs, and the various Compositions and Cements that have been brought into use for roofing, do not stand the action of the weather, but they run when it is warm, and crack when frosty, and after one or two years become crumbly, and worthless; whereas, the inventor of the Galvanic Cement, has labored twenty years to combine articles to obviate those difficulties, and can testify from his long experience, and numerous testimonials from reliable persons, who have had his combination applied to their buildings, that his Cement is the cheapest and best article ever before known. The combination of this Cement is such that it is excellent for entire new roofs, flat or steep, covering over old shingles without removing them; lining ever-throughs, seaming around battlements, chimneys and sky-lights. Covering carlines, steamer-decks, &c. This Cement, by its non-conduction and galvanism, prevents metal roofs from rus
