REAL ESTATE SALES.

Fifty to Sixty Building Lots for Sale in Edgefield.

FIVE TO EIGHT YEARS CREDIT.

THE undersigned offers for sale from fifty to sixty Building Lots in Hobson & Wheless' addition, and in the property formerly belonging to Mr. Hobson, just beyond Blood's addition, in Edgefield. They front 50 feet each, on the Gallatin Turnpike, Woodland, Russell and Fatherland streets, and run back 150 feet to alleys sixteen feet wide—a portion of them being about half a mile from the Suspension Bridge, and the others within a mile.

I will sell these Lots on the following terms: any one of which can, of course, be selected by the purchaser:

1st. Payment of one-fifth to be given in cash, and of the balance in five annual instalments with interest, and a lien retained, and no other security require'.

2d. Annual payments for five years with interest—security to be given on the two first notes, and a lien retained.

3d. Eight years credit for the principal. Interest payable annually, and security required on the interest notes, and a lien retained.

4th. Eight years credit for the principal the interest payable annually, and no security required except a lien, if the purchaser will put up a dwelling house within the first year.

5th. In many cases I would be willing to give the purchaser eight years credit, if he would pay one fifth during the first year in carpenter's work, brick work, plastering or painting, and pay interest annually on the balance—no security being required but a lien.

I offer these easy terms with the view of placing a snug and pleasant residence within the reach of any industrious man who desires it, and of adding to the population of the most beautiful village in the neighborhood of our city—in my opinion. Apply to A. V. S. Lindsley, Esq. or to
