We have received the first number of the Sevierville Enterprise, a neat and well gotten up five column paper. It is independent in politics and is edited by Mr. J. B. Love, a former typo of THE DEMOCRAT, a good compositor, a ready writer and a clever gentleman. Mr. Love deserves success in his new enterprise, starting a paper in the place of his childhood. The price of the paper is $1.25.

Women that have been pronounced incurable by the best physicians in the country, have been completely cured of female weakness by the use of Lydia E. Pinkham's Vegetable Compound. Send to Mrs. Lydia E. Pinkham, 233 Western Avenue, Lynn, Mass., for pamphlets.

We call attention to the advertisment of the liberal terms of Maryville College, which opens Aug., 29, 1882. This Institution speaks for itself; the noble christian work done in the past is a better recommendation than we could write up The location is equal, if not superior to any to be found in the State.

We are slow to take up patents, but we must confess we were forcibly impressed with a new contrivance for quilting quilts on a sewing Machine. It is undoubtedly the best thing we have ever seen. It is simple in construction; any workman can make one in a few hours; no castings required, all made of wood. The beauty of it is it can be applied to any make of sewing machines. Mr. W. G. Goddard is authorized to dispense the rights to families at a comparative small cost. Dont fail to get one.

How to Pevent Rust on Wheat

The farmers of East Tennessee are interested at this time to discover some certain preventive for rust on their wheat. Up to this writing however, they have been unable to agree as to the cause of the disease or a remedy for it. Not so, however, with the crown ailments, for if they are billious they know that Hart's Anti Billious Discovery will cure them, or if they have pain, that Hart's Relief is what they need, or when troubled with a cold or cough that they have but to take a few doses of Symphxy and are well.

We were shown a stove at J. M. Hood & Bro., this week, which surpasses anything in the stove line, we have seen in this market, it is called the Estate.

The hot sultry weather of summer is upon us, and it is the part of wisdom for all to be prepared to ward off the many disease which come with the season. For Cramps and Pains in the Stomach, Hart's Relief, the old reliable remedy, is the best. For Diarrhœa and Bowel Complaints, Dr. Lytle's Elixir cannot be excelled. With these two remedies at hand there is but very little to be feared from the ordinary summer complaints.

Permit No Substitution.

Insist upon obtaining Florestan Cologne. It is pre-eminently superior in permanence and rich delicacy of fragrance.

PLAIN TRUTHS

The blood is the foundation of life, it circulates through every part of the body, and unless it is pure and rich, good health is impossible. If disease has entered the system the *only* sure and quick way to drive it out is to purify and enrich the blood.

These simple facts are well known, and the highest medical authorities agree that *nothing* but iron will restore the blood to its natural condition; and also that all the iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious.

BROWN'S IRON BITTERS will thoroughly and quickly assimilate with the blood, purifying and strengthening it, and thus drive disease from any part of the system, and it will *not* blacken the teeth, cause headache or constipation, and is positively *not* injurious.

Saved his Child.

17 N. Eutaw St., Baltimore, Md.
Feb. 12, 1880.

Gents:—Upon the recommendation of a friend I tried Brown's IRON BITTERS as a tonic and restorative for my daughter, whom I was thoroughly convinced was wasting away with Consumption. Having lost three daughters by the terrible disease, under the care of eminent physicians, I was loth to believe that anything could arrest the progress of the disease, but, to my great surprise, before my daughter had taken one bottle of Brown's IRON BITTERS, she began to mend and now is quite restored to former health. A fifth daughter began to show signs of Consumption, and when the physician was consulted he quickly said "Tonics were required;" and when informed that the elder sister was taking BROWN'S IRON BITTERS, responded "that is a good tonic, take it."

ADDRAM PEELES.

BROWN'S IRON BITTERS effectually cures Dyspepsia, Indigestion and Weakness, and renders the greatest relief and benefit to persons suffering from such wasting diseases as Consumption, Kidney Complaints, etc.

I have been a great sufferer from a very weak stomach, heartburn, and dyspepsia in its worst form. Nearly everything I ate gave me distress, and I could eat but little. I have tried everything recommended, have taken the prescriptions of a dozen physicians, but got no relief until I took Brown's Iron Bitters. I feel none of the old troubles, and am a new man. I am getting much stronger, and feel first-rate. I am a railroad engineer, and now make my trips regularly. I can not say too much in praise of your wonderful medicine. D. C. MACK.

BROWN'S IRON BITTERS does not contain whiskey or alcohol, and will not blacken the teeth, or cause headache and constipation. It will cure dyspepsia, indigestion, heartburn, sleeplessness, dizziness, nervous debility, weakness, &c.
