DIXIE'S ERRORS GIVE PELICANS FINAL GAME

Chick Outfielder Drops Easy Fly and Then Loafs on Hit in Twelfth.

NEW ORLEANS, May 16.—A pair of costly errors in the outfield was responsible for Memphis' third straight defeat here yesterday 4 to 3. The game went to the twelfth inning. In the seventh, with the score 1 to 0 in Memphis' favor and with two out, Carroll dropped a high, easy fly in centerfield and the locals scored two runs. New Orleans scored its only earned run of the game in the eighth but Memphis tied the score by tallying twice in the ninth.

Then in the twelfth, with none down and a man on first, Stansbury slugged to Carroll, who fumbled the ball long enough to let Sullivan score from first. It made New Orleans' seventh consecutive victory. Score

Centenary Boxers Will Arrive Here Sunday

Mike Gibbons, Jack Dillon, Len Rowlands, Phil Harrison, Johnny Griffiths Pal Moore and Others Coming

BY BOB PIGUE

HURRYING TOWARD Memphis in order to arrive in time to work out before Bluff City fight fandom Sunday are all eight participants in the big Centenary boxing shows which will take place at the New Lyric theater Monday, Tuesday, Wednesday and Thursday nights of next week.

Transportation has been forwarded all of the fighters who will appear here in the four Centenary bouts, and Promoter Billy Haack has received messages from the boxers that they will all be in Memphis by Sunday. Mike Gibbons, middleweight champion of the world, who is to meet George Knockout Brown here Monday night in the opening show, has wired that he will reach Memphis early Sunday morning. Brown will also get in about the same time. Johnny Griffiths, the Akron welterweight, who is carded to meet Len Rowlands Wednesday night, has wired that he will get in Sunday morning. Rowlands will also get here some time during the Sabbath.

All of the eight fighters will work out at Kupferschmidt's gymnasium on lower Main street Sunday afternoon. All fight fans are invited to go up and watch the boys limber up for their fights. The workouts will start about 2 o'clock and a new battler will appear every half hour. It is quite likely that some of the boxers will use each other as sparring partners and work with some of the boys who are to appear on other cards. For instance, Gibbons may work with Griffiths, Rowlands may work with Brown, and so on. This may be necessary because of the shortage of sparring partners among the Memphis fight colony, as there are very few local boys who care to take the punches that such men as Gibbons, Brown, Rowlands, Griffiths, etc., dish out in their preliminary work.

Jack Dillon, the Indianapolis Bearcat, who is to be Phil Harrison's opponent on the second night of the big centenary boxing attraction, which will be Tuesday, has telegraphed Promoter Haack that he will be among those present Sunday. Dillon has been working his head off by way of getting in condition for his mill with Harrison and is going to convince those among Memphis fans who figure he has gone back that he is still there among the leading mitt wielders. Dillon is meeting a tough opponent in Harrison, but is confident he'll be returned a winner.

Pal Moore, who is meeting Benny Chavez next Thursday night, will leave Waterloo, Ia., following his bout tonight with Johnny Ritchie, headed for Memphis and should be here by Monday morning at the latest. Benny Chavez, who will meet Pal, will get in Sunday morning and will be one of those who workout at the Kupperschmidt gymnasium Sunday. Chavez is a good tough boy, a hard pucher and one of the leading bantams of the country, and Pal is going to have to cut loose with all he's got to defeat him. Chavez will make 120 pounds for Moore at the ringside.

Tickets Are on Sale.

Tickets for all four bouts are now on sale. Ringside seats may be secured at Fanduward's, Samelson's and Pantage. Other tickets are on sale at the Lyric theater.

Promoter Haack is arranging a good set of preliminaries for all four shows. For Monday night's battle he will have some of the best of the local talent to perform. Harry Cherry and Young Jack Dempsey, two of the cleverest kid boxers who have ever shown in Memphis, will go four rounds. Brooklyn Jack Bries and Dummy McKinney are also matched for six rounds. There will be one more bout in addition to the foregoing two. Billy Haack will referee all bouts.

The Sporting Spotlight

By Bob Pigue

AFTER HAVING dropped the three-game series to the New Orleans Pelicans, the Chicks pulled out of the Crescent City Thursday night bound for Mobile, where this afternoon they are scheduled to open with Bob Coleman's Bears in a four-game session.

The Tribe is carded to remain in Mobile today, Saturday, Sunday and Monday, and if it can be arranged, they will jump back into Memphis Tuesday and open here with the Birmingham Barons by way of affording a baseball menu for the thousands who will assemble here for the big centenary celebration. Nothing definite has been accomplished along the lines of transferring the series from Birmingham to Memphis, but the local baseball officials are busy trying to put it over and expect to settle the matter one way or the other within the next few days.

Thursday's game in New Orleans was hard-fought and went until the twelfth inning had been reached, when Dixie Carroll, the main offender of the afternoon loafed on a one-base hit which permitted a runner to score all the way from first with the winning run. Dixie had previously muffed an easy fly ball which gave the Pels two runs.

* * *

SOME LOSING STREAK.

The Tribe's losing streak has now reached the miserable total of seven games. They lost one game in Chattanooga, three in Nashville and three in New Orleans. The only victory in recent weeks occurred in Nashville when Chief Cy Barger pitched the Tribe to a win.

All of the lost games have been very much alike, with the same story covering them all. The Chicks have booted the ball and played like a gang of sandlotters, and have been unable to stand up under the withering fire of the remaining teams.

Goodbred, Chick spitballer, has been pitching fine ball and has lost five out of six games. He had license to lose only one of the games he has pitched, he being punched hard in one game of the New Orleans' double bill and deserving to lose. But on all other starts he should have been returned a winner. Canavan is also performing well on the hill, but his support is such that Walter Johnson would have difficulty in turning in a winning card.

* * *

The Chicks' casualty list is steadily increasing and is now composed of Red Smith, catcher; Jack Lewis, infielder, and Carl Manda, third baseman.

Manda has been playing in every game, but he is in poor condition to perform, having not yet recovered from his accident that occurred before he reported to the Chicks. He was struck on the leg by a big piece of iron which put him out of commission and which kept him in bed for some time. He got up out of bed to report to the Chicks and has not been going very good, owing to the fact that he isn't in the proper shape as yet. This is no alibi, but a statement of facts.

Red Smith got in the game yesterday and may be able to resume his regular backstopping duties from now on. Churchill, a New Orleans rookie, will be retained to help Zeke.

* * *

FOSTER STARTS WELL.

It takes a real optimist to see anything good in the Chicks these days, but the pitching performance of Eddie Foster Thursday in New Orleans is an encouraging sign. Foster got bumped on his first two starts, but yesterday against the Pels he showed an abundance of class and with any kind of support would have been able to subdue the New Orleanians without trouble. But ragged co-operation ruined him and he gave way to Roy Fentress, who also pitched well until Dixie Carroll spilled the beans.

* * *

Frank Dehaney, the big catcher turned loose by Memphis, is still in Memphis and is waiting for instructions, Greenville having wired that they can't use him.

* * *

TOMMY LONG WINS AGAIN.

Tommy Long, the young Memphis southpaw, who is now one of Patsy Flaherty's leading twirlers, pitched his fifth straight winning game Thursday against the Toledo Mud Hens. Tommy shut out the Hens 3 to 0. The game was played in Toledo and Tommy had no trouble in dishing out his fifth straight defeat to American association teams.

Tommy is the same young pitcher who was too rank an amateur for Memphis and Birmingham.

* * *

JULIO NEWEST CHICK.

Chief of Police Burney has issued an order to Julio Vannucci, the well-known keeper of the peace at Russwood, to hereafter appear at Russwood park in the uniform of the Chicks in order that he may help the Tribe in case they are in need of a pinch hitter or somebody to go behind the bat or on the hill.

Chief Burney told Julio that his services as a bluecoat would not require all of his time and that he could best serve the Memphis club by getting in the lineup.

* * *

The Chicks lost a double-header in New Orleans Wednesday. But that's a good town to lose double-headers in, for there's a world of consolation to be found in the various sazerac parlors, of which the Crescent City proudly boasts.

PROTEST FILED AGAINST BIG BOUT

Mayor Replies That Battle Will Be Staged—Commission Sanctions Mill.

TOLEDO, O., May 16.—Official sanction for the heavyweight championship battle between Jess Willard and Jack Dempsey, scheduled to be fought at Bayview park here July 4, was given by the Toledo boxing commission yesterday when a permit was issued to A. Q. Thacher and his brother, representing the Toledo Athletic club.

The permit, calling for a 12-round contest to a decision, bears the signature of Mayor Schreiber, C. F. Wail, director of public safety and head of the boxing commission, and the remaining five members. This action removes all speculation as to what the commission would do in regard to sanctioning the contest.

The actual construction of the arena, which, according to present plans, will have a seating capacity of $50,000 persons, was started today. Tex Rickard, promoter of the contest, drove the first half dozen spikes in the framework of the huge structure.

Dempsey had not arrived late last night, but is expected today to select a site for his training camp.

Protest against the Jess Willard-Jack Dempsey heavyweight championship battle scheduled to be decided at Bayview park, a municipal plot of ground, here July 4, is expected to be in the hands of Gov. Cox of Ohio, and James F. Mathias, sheriff of Lucas county, today. These officials, together with Mayor Schreiber, of Toledo, were requested by the Toledo Ministerial union, an organization of 250 churches, to prohibit the contest.

The protest, mailed to the state officials and Mayor Schreiber yesterday, characterized the coming battle as a "gladiatorial contest worthy of the Roman arena of infamous memory," declared that it would teach youths to "see red" and would result in an invasion of gamblers and thieves to Toledo. The protest also declared that although the government sanctioned boxing as a war measure, the government also indorsed bayonet fighting; but the same government would not encourage bayonet fighting in peace times.

Mayor Schreiber's answer to the protest was a statement today that the government had made boxing a part of the curriculum of the army and navy and that the battle would bring thousands of visitors to Toledo who will expend hundreds of thousands of dollars. The contest, the mayor's statement added, would stimulate Toledo's business, provide employment to labor, bring the advantages of Toledo, natural and industrial, notice in every section of the country and result in enriching the city's charity fund by approximately $35,000. Seven per cent of the gross receipts of the contest are to be donated by Tex Rickard, the promotor, to the fund.

This is the second time the Robins have sent O'Mara to the minors. In 1916 he and Ivan Olson divided the shortstopping job, and after the season ended Ollie was sent to the Pacific Coast league, and from there he drifted to the Atlanta club of the Southern association. His playing on that club in 1917 helped them in no little way to capture the pennant. That fall he was brought back to the Robins. Ollie goes to the Indianapolis club with nothing but wishes for success from his mates.

When Hank O'Day appeared to take up his assignment as umpire of games played in Cincinnati, he looked over the roster of Reds and could not find on it a name of a player who was with him as manager of the team seven years ago. All of them have gone, mostly from fast company, but Hank hangs on, young as ever.

In the Morning's Mail

God's Country, America.

Sporting Editor, The News Scimitar:

Dear Sir—Now of course we have no bad feeling toward you, for I feel sure you will fall in line with us when I get through. But what I want to know is this: How in the —— does Memphis expect to keep up her attendance with such a machine as she now has as a substitute for a ball team. Now the trouble with Memphis is that when some major league team offers them something worth having somebody gets very sick over the thought of spending a little dough and the deal falls through. Why is it that New Orleans always puts out a good team? Because she doesn't mind putting out the dollar, but this putting out the dollar in a strict violation of the Memphis officials' rule. That is why it looks to most of the fans as though the officials were getting their money as cheap, if not cheaper, than possible without losing out in attendance.

It's true that Memphis needs Vance. But what she needs worst is someone to make them act before Vance, for it's a cinch he can't win by himself. He'll just be in the same boat as Goodbred, and you know that Goodbred is just a good pitcher going down trying to win for a team that couldn't beat Central high.

Well, I feel sure that the fans around here haven't much time for Memphis now. But anyway, let's see if we can't make them put over a winner one time anyway, even if we have to pass the hat, for I expect that will be about the only chance. Your friend,

ONE WHO LOVES THE GAME.

Joe Rapp, shortstop, formerly with Los Angeles and Peoria and Wichita, is back from overseas and taking a rest at his home in Cincinnati before he joins with some ball club. His address is 2661 Dennis street in Cincinnati.

ARMY ATHLETES LEAVE JUNE 9

To Take Part in Interallied Games.

NEW YORK, May 16.—Plans are rapidly being completed for the formation of a team of army athletes which will be sent from this country to augment the American entries in the interallied games to be held in France, June 22 to July 6. The team will leave about June 9.

Owing to the lack of time it will not be possible to hold tryout meets as is customary previous to Olympic games. Instead, every army camp, student army training corps and Amateur Athletic Union district has been requested to name one or more elegibles, and from this roster a team of at least 50 will be selected.

The team will travel in a body, going and coming, and will be under strict military discipline throughout the entire trip and competition.

DUNDEE BEATS WHEELAN.

ST. PAUL, Minn., May 16.—Johnny Dundee, of New York, outpointed Billy Wheelan, of St. Paul, in a ten-round match last night, the New Yorker gaining a wide margin in the fifth round and a shade in most of the other rounds.

BENZ TO BLUES.

KANSAS CITY, Mo., May 16.—Joe Benz, for several seasons a member of the pitching staff of the Chicago American League club, has been purchased outright by the Kansas City club of the American association.

John Gillespie, the infield rookie released by the New York Giants to Binghamton, is said to be the smallest yet in baseball. Even Owen Bush and Nemo Leibold look big beside him.

Why temporize? Be sure of the clothes you buy!

Copyright 1919 Hart Schaffner & Marx

This season, more than ever before, the element of risk in clothes buying is omnipresent. Imitation, camouflage and manipulation weave their nets of superficiality about a lot of the clothes offered broadcast, presenting looks that will not endure nor stand the test of service.

You take no such chances when you come to this store. Absolute dependability, highest quality and greatest possible value—these are the fundamental principles upon which we operate, and they find eloquent expression in the clothes we sell—

Hart Schaffner & Marx Clothes

You can bank upon these clothes like a Victory bond; best of pure wool fabrics, fine workmanship, style and fit as these master clothes makers alone know how to put into clothes. The broad guarantee, under which they're sold, makes them the one safe bet in clothes-buying—a new suit for any that falls short of your complete satisfaction, and you're the sole judge and arbiter.

The best in styles for young men

The impelling influence of good clothes is a universally acknowledged psychological fact; Hart Schaffner & Marx Clothes most of all. They bring out the best in the young man's figure, and the best of his self-esteem, gained from the knowledge of "looking right."

The styles are very distinctive; the models the combined excellence of highest art designing and finest tailoring. Many uncommon new patterns and colorings; greens, silver grays, blues, iridescent shades, stripes, allied color tones—

$30, $35, $40, $45, $50

Men's fine suits, conservative fashions

Our enormous stocks provide for the requirements of all. We don't neglect older men; we look out for the interests of sustantial business men, professional men, working men, tillers of the soil. They, too, want clothes of high quality; that fit well and have the correct style; that will give long and satisfying service. We make a feature of not taking a suit and making it fit you, but showing you a suit that was originally made for a figure like yours. We have sizes and models for any build or proportion. All the late styles, weaves and colors—

$30, $35, $40, $45, $50, $55, $60
