He slammed out another homer, bringing his total up to 11 and is leading the race in hitting with an average of .358. Harper, a team mate, is in second place, 20 points behind him.

Carroll, of Memphis, failed to add to his string of stolen bases, but his record of 23 thefts remains high.

I. C. TEAM WINS.

JACKSON, Tenn., June 26.—(Special.)—Unable to match the almost impeccable pitching of Keagle and Bowers, the Harvey Steel Dealers team suffered another defeat from the I. C. nine in a very close and exciting game played before a large assembly of Jackson fans at the fairgrounds, the score ending 5 to 6. Reager pitched fine ball and was faced by 15 men, nine of whom were struck out. Reager turned in perhaps the best ball for the Harvey team. He for the I. C. was at bat five times and secured four hits, three two-baggers and one single.

JIMMY MURPHY HERE FOR MONDAY MILL AT S. A. C.

St. Louis Bantam Confident He Is Going To Be Returned the Victor Over Knockout Eggers, of New Orleans.

BY BOB PIGUE.

Jimmy Murphy, St. Louis bantam, who is down for eight rounds against Knockout Eggers, of New Orleans, at the Southern Athletic club Monday night, arrived in Memphis Saturday morning. Murphy is accompanied by his manager, Jack White, and appears to be in good condition. He stated that he would need only light training Saturday and Sunday by way of prepping for Eggers, as he had been working every day in a St. Louis gymnasium and is already in proper fighting fettle.

MURPHY CONFIDENT.

Murphy said he had learned that Eggers was figuring on knocking him out Monday night, but stated that it was easier said than done, and that he was not figuring on kissing the canvas when he went up against the clever New Orleanian. Murphy proved in his bout here with Pal Moore, Memphis flash, three weeks ago, that he has the goods, and local fight fans figure Eggers has bitten off a big assignment in stating that he is going to flatten the St. Louisan.

When Murphy met Moore, Pal was given the surprise of his life, for the Missouri lad was on top of him all the way and made a much better showing than did Kid Wolfe or Pete Herman, and Pete is the bantam champion. Moore defeated Murphy, as he was too clever for him, but it was a fast mill all the way, and fans were treated to an agreeable surprise by the mill he put up.

Manager Jack White, of Murphy, says his boy is surely destined to the top of the bantamweight division, and that he is as sure to scramble Eggers as they are to meet.

EGGERS WORKING DAILY.

Eggers has spent the week working daily at the S. A. C. and reports that he has worked off all surplus poundage and is in the proper fighting trim. Eggers has not been in the ring for the past couple of months, and it took some stiff training for him to get back in shape, but he says he is ready, and when he climbs through the ropes Monday night he says he will be in condition to carry Murphy at a whirlwind pace.

Eggers still states that he is going to knock Murphy out, and says that he is going to cut loose all he has in an effort to lower the sails of the St. Louisian. "I've knocked out some of the best boys in the bantam outfit in my time," says Eggers, "and I have no doubt that I am going to put over a sleeper on Murphy."

Promoter Billy Haack has been busy all the week lining up the preliminaries for the show, and announces that there will be two four-round affairs, one of six rounds and a battle royal. Local talent will perform in the appetizers.

The Yankees made 15 hits, Ruth's two being a double and a home run. The home run was clouted over the center field fence.

Mauriceville, Texas, high school has the strongest all-around athletic student for this year's graduating class, and perhaps the force in Jasper county, of Wood County. Young Carson is 16 years old and a half inches in his stockings and carries 175 pounds of evenness along with him. He is most proficient in baseball and running. The boy is still growing.

STARRING IN SPORTS

DICK KERR.

Little Dick Kerr, the real White Sox hero of the 1919 world's series, is coming through once more after a poor start. Which brings large gobs of joy to Chicago fans.

Both Kerr and Cicotte were being hit hard until a few games ago. Dick had won three and lost one in 13 starts, according to the latest dope, and it was one of these victories that marked his reversal in form.

Kerr was born in St. Louis, July 3, 1893. He broke into pro ball in Paragould, Ark., in 1909, and graduated to the majors in 1917, when he joined the Browns. The Browns farmed him to Milwaukee, from which club the White Sox got him last year. He is married and lives in Paris, Tex. He won two of the three games the wrecked Sox team won from the Reds last fall.

HORNSBY'S HITTING IS N. L. FEATURE

Cardinal Infielder Tops Old League—Max Carey Leads Base Stealers.

St. Louis, which has been clamoring for baseball distinction for years, is finding solace in the batting performances of Sisler and Rogers Hornsby. Hornsby is in no immediate danger of being ousted from the batting leadership of the National league, the averages, including Wednesday's games, giving him .391. Nicholson, of Pittsburgh, is trailing him in second place with .359. Roush, of Cincinnati, is third with .337.

Hornsby and Robertson, of Chicago, are giving Cy Williams, of Philadelphia, a close race for home run honors. Williams has belted out seven while the St. Louis star and Robertson have made six each.

Max Carey, of Pittsburgh, is setting the pace for the base stealers with a total of 19. Roush, of Cincinnati, and Hollocher, of Chicago, are next up with 14.
