FINANCE AND COMMERCE.

FINANCIAL.

Special Dispatch to The Bee.

NEW YORK, April 18

Money—Loaned down from 6@3 per cent; closed and offered at 4 per cent.

Prime Mercantile Paper - 5½@6½ per cent.

Sterling Exchange—Bankers' bills steady at 4 82¾; sterling exchange demand, 4 85¼; exchange demand, 4 8 ¼.

Governments were 4½ per cent; coupons ⅛ per cent lower; 3's, 5's and registered unchanged.

Stocks—Railroads were irregular. The net result of the day's business on the stock market was a decline of ½@2 per cent on the general list. Central Pacific, Union Pacific, Burlington and Quincy were all from 1@1⅜ per cent lower. The market closed steady at a fraction above the lowest price for the day.

The Post says: The announcement that the Northwestern would issue $10,000,000 of five per cent bonds to pay for the purchase of St. Paul & Omaha stock, thus increasing its fixed charges $500,000 per annum, has probably had more to do with the break in the market than any other one fact; holding that Northwestern stock has been pretty well distributed among all speculators who have bought it on expectation instead of bonds, ther would be an increase of stock to pay for Omaha stock. They all bought a little in anticipation of the cutting of a "watermelon," in which they have been disappointed. The stock declined five per cent since the close Saturday.
