STOCKS ON WALL STREET.

NEW YORK, July 24.—Money—Easy at 1 per cent. Prime paper—4@5 per cent. Exchange bills—Quiet and unchanged. Governments—Quiet and strong for 4's and steady for other issues. Stocks were again very active and prices irregular at the opening and the market inclined to be heavy. The decline, which was for only a small fraction, was soon checked, and there was a rally which carried prices in the first hour to the highest quotations of the day. With few exceptions the gains amounted to less than 1 per cent and from that time to the close the general tendency was downward. The market closed very weak at or near the lowest quotations of the day in most cases.
