AN ANXIOUS DAY FOR SHORTS.

Wheat and Corn Pits Deserted for Provisions—Reported Frosts Fail to Scare Up Corn Prices—Live Stock.

CHICAGO GRAIN MARKET.

CHICAGO, Sept. 13.—[Special Telegram to the BEE.]—Pork started for $12.00 for the October option at the very opening this morning. It opened at $10.95, with buying all by outsiders. It didn't stop until $11.25. It, however, was the strong thing in the list. Corn was down to 40⅝c for October, something of a surprise in view of the general expectation. The frost bulletin of the signal service said there had been a killing frost in the northwest Sunday and a light frost this morning down as far as Wisconsin. Freezing weather has evidently not yet gotten near enough to the corn belt to scare shorts very badly. The receipts of corn were liberal for to-day, but the amount taken out of store—842,000 bushels—was extraordinarily large, too. Wheat got down a shade under 77c for October, although consols were reported somewhat lower. The visible supply figures, made public about noon, were just about what were anticipated, and for that reason did not affect the market much. The October option got as low as 76⅝c. It stuck almost all day at about 77c.

The provision pit was, however, the interesting point on the floor. All traders were there at one minute or another, and bigger profits, bigger losses, and bigger commissions were made there than in all the others put together. Baldwin, who is recognized as an Armour broker, was an active buyer. At one time he bid 11.00 for 10,000 barrels of November pork. He got only 5,000. One broker said he had a selling order for 7,000 barrels, and that the market went up all the time. "I think you could sell 25,000 barrels of October above $11.00 here to-day," he said. There are some "calls" on the year out at $11.00. Ferguson has one on Robert Warren for 25,000 barrels. This, practically, is a shortage for October at $11.00 The pork pit was surrounded all day by traders from wheat, who bought in the aggregate thousands of barrels. Armour's brokers gave their attention alternately to ribs and to pork. October ribs were sent to $7.65, then let off 30c, then rushed up again. It was a wild day of trading and an anxious one for shorts.

The anticipated receipts for to-morrow are 215 cars of wheat, 535 of corn and 200 of oats. Charters were: Wheat, 100,000 bushels; corn, 125,000; flaxseed, 75,000. The exports for the week ending September 11 were: Wheat, 2,416,700 bushels; corn, 356,100; oats, 64,300, and flour, 195,000 barrels.

The close at 1 o'clock was at 77¼@77⅜c for October wheat, 41c for October corn, $11.22½@11.25 for October pork, and $6.60 for October lard. On the short afternoon board there was another wild but short session in the pit. October wheat closed at 77⅜c; October corn, 41⅜c.

CURB, 2:30 P. M.—October wheat, 77⅜c; puts, 77¼@77⅜c; calls, 78@78⅛c. Corn privileges, 40⅝@40⅞c, and 41⅜c.

CHICAGO LIVE STOCK.

CHICAGO, Sept. 13.—[Special Telegram to the BEE.]—CATTLE—The cattle market today was slow to open, because buyers were hanging back while salesmen were asking higher prices. Inquiry for good fat cattle was rather strong and best grades sold at fully former rates. The market for common to fair kinds was only about steady, and inferior kinds sold very slowly, with rates in some cases lower. Liberal offerings of western cattle made it bad for common native cattle, which cost more and can't be sold so cheap. There were some good to prime cattle here, but there were no more good to prime cattle than the demand required. Shipping steers, 350 to 1,500 lbs., $4.70@5.35; 1,200 to 1,350 lbs., $4.10@4.65; 950 to 1,200 lbs., $3.40@4.00. The range cattle market this morning was quite slow. Buyers were holding back and bidding less while salesmen were unwilling to take less. Early some canning cattle sold at about steady prices. Common western cattle were slow sale and bids were lower. Northern rangers: 251 Texans, 1,040 lbs., $3.15; 336 Wyoming half-breeds, 1,113 lbs., $3.60; 301 Dakota Texans, 1,020 lbs., $3.25; 59 Dakotas, 1,314 lbs., $3.70; 547 Nebraska, 1,183 lbs., $3.10; 40 Montana, 1,095 lbs., $3.20.

Hogs—The receipts for the day were 15,000, against 16,000 last Monday. The market was active and prices a big 5c higher all around, closing with all sold. The highest price was $5.20 for good straight stock, the sort out of which would have cost $5.25@5.30; rough and common, $4.70@4.80; fair to good, $4.90@5.00; and best, $5.10@5.25; light sorts, $4.40@4.80; and singeling pigs, $3.00@5.10; rough and mixed, $4.15@4.60; packing and shipping, 250 to 350 lbs, $4.60@5.20; light weights, 130 to 170 lbs, $4.00@4.50; 180 to 210 lbs, $4.60@5.00; skips, $2.50@4.00.

FINANCIAL.

New York. Sept. 13.—MONEY—On call loaned at 5@7 per cent, closing at 5 per cent asked.

PRIME MERCANTILE PAPER—4@5 per cent.

STERLING EXCHANGE—Quiet and steady; $4.81¼ for demand.

GOVERNMENTS—Government bonds were dull but steady.

STOCKS—The stock market was stronger and showed more life than any previous day for some weeks. The bears seemed demoralized and the bulls for the time being had complete control. The course of prices, with the exception of a slight reaction in early trading and another in the last hour, was almost steadily upward, and while sales in each stock were increased the dealings were extended to a much larger number of stocks than of late. First prices showed advances ranging from ⅛ to ⅝ per cent. There was considerable excitement at the opening, and for the first half hour there was an unusually active business, but after a few further slight advances prices yielded and at noon were slightly under the opening figures. Later, however, a general advance took place, which culminated about 2 p. m., when the highest prices generally were reached. Another slight yielding in values followed, but the market recovered before the close, which was about steady at the best figures of the day.

EGGS—The market is keeping up well, and good, fresh stock is selling at 13@14c.

BUTTER—All good stock meets with ready sale on arrival; inferior continues dull. All butter should be packed in new tubs. Fresh creamery, 19@22c; choice dairy, 17@18c; choice country, 16@17c; good country, 13@15c; fair country, 9@11c; common country, 4@7c.

OYSTERS—The city trade has opened up very active and more orders have been received from the outside than ever before, so early in the season. The dealers of this city are in better condition than on any previous year to supply the outside trade. The following are the prices at which country orders are filled: Mediums, 30c; standard, 35c; selects, 40c; best selects, 45c.

GAME—The extreme hot weather of the past few days has seriously affected the game trade. Consignments arrived mostly in bad order and were a total loss. In some instances a few good birds were picked out and sold at low figures. Just as soon as cold weather sets in there will be a brisk demand for prairie chicken at good paying prices. Prairie chickens, $2.00@2.50 per dozen; quail, $1.25@1.50; snipe, $1.00@1.25; ducks, (Mallard), $1.75@2.25; ducks, (Teal), $1.25@1.50; ducks, mixed, $1.25@1.50.

POTATOES—Potatoes have not been coming in very fast and the market has kept up so high that dealers are only buying in a small way. They have not commenced putting in their winter stocks, but are holding off in expectation of lower prices. During the past few days choice stock sold as high as 65c, but in a small way. Choice stock, per bu, 50@65c.

VEGETABLES—Celery, large bunches, Kalamazoo, 40c. Sweet potatoes, per lb, 2@3c. Onions, choice red, per bu, $1.00; southern, per bbl, $3.50.

HOME-GROWN GRAPES—There is a very liberal supply on the market and choice stock. Poorer stock and that which is not put up in good shape for shipment is selling for what it will bring. The following are the prices at which outside orders for choice stock are filled: Shipping stock, per lb, 20-lb boxes, 4½c; 10-lb baskets, 45@50c.

MICHIGAN PEACHES—There is a wide range of prices, due to the different kind and quality. Shipments are arriving in good condition and are holding up well. Baskets, according to size, 75c@90c; crates, 4 baskets, $2.75.

LEMONS—The past week lemons touched the highest point of the season in New York, but prices here remain unchanged. The stocks in the hands of the dealers here are very choice and fancy. Lemons, $9.75@10.00.

ORANGES—It is too early for Louisiana stock to commence arriving. There are a few Honduras in the market which are sweet and good size. Honduras, per box, $8.00.

CRANBERRIES—Bell & Cherry, $8.50@9.00.

CALIFORNIA FRUITS—The arrivals of California fruits are very light and only grapes are coming. The season is practically over. Grapes, Muscats, $1.50; Tokays, $175.

Fancy stand or eating apples are scarce. Common stock, $2.00@2.25. Choice shipping stock, per bbl, $2.50@2.75. Fancy stand stock, $2.75.
