ESTABLISHED JUNE 19, 1871. OMAHA, SUNDAY MORNING, MARCH 24, 1895—SIXTEEN PAGES. SINGLE COPY FIVE CENTS.

LAST WEEK OF OUR GREAT MARCH SALES.

IF IT'S A PIANO YOU WANT

Be careful where you buy it. It ' is just as well to consider the price as the tone—consider also of whom you buy it. There are few who can give a guarantee like ours and make it good.

NEW PIANOS ARRIVING DAILY

And in order to make room for them we must sell lots of pianos all the time. We are the only house in America carrying every piano of any note worth having, being headquarters for such pianos as CHICKERING, STEINWAY and KNABE and more than twenty other makes. We often make prices at less than half music dealers' prices. The few left from the Max Meyer stock go for as low as $50. New pianos for rent. Pianos tuned, moved and repaired.

Specials in Sheet Music

"Little Queen Irene," the most popular melody extant today, is now being sung on the stage by six different artists, who pronounce it an immense hit. We have pushed this melody, partly because it is the production of Omaha talent and partly because it is the easiest song to sell we ever had. Its regular price is 50c, but we give you your choice of "Happy Thought" march or "Dora," Gov. Boyd's March, each worth 40c, as a gift with "Little Queen Irene," which we sell for 25c.

10,000 titles of sheet music at 5c. Write for catalogue.
