PERSONAL.

Dr. W. A. Knapp and Thad. Mayo, Esq., are in New Orleans.

Rev. Father Kelly made a short business trip to New Orleans this week.

Wm. Biggs, representing L. Oppenheimer & Sons, of Louisville, Ky., was here this week.

B. H. Harman, from Rayne Station, St. Landry parish, made us a friendly visit last Thursday.

Jos. George, Esq., who has been engaged in business in Houston, Texas, for some time past, has been here several days prospecting.

Mr. Henry L. Diamond, representing the old and reliable house of A. W. Hyatt, of New Orleans, gave us a call last Wednesday.

No nominations will be made in this parish for local offices. The Democratic majority is so large that none but Democrats need have any hopes of election. All the candidates, so far known in Calcasieu, are men of sound Democratic principles, and the people will be left free to make wise selections between them.

Louisiana and the Exposition.

[Shreveport Standard.]

It will be seen that Major Burke is pushing forward the New Orleans World's Exposition with an intelligence, energy and will that has never been equaled by any man that has ever taken hold of a similar enterprise. It was a wise movement when he was selected as director general of the Exposition. He has awakened an interest in it that is felt not only throughout every portion of the United States, but Europe. The gathering of intelligence and enterprise, and the display of products and industries in our Southern metropolis, next year, as may reasonably be anticipated, will surpass anything that has ever been witnessed in this country since that of the Centennial at Philadelphia. It will prove of immense benefit to the South, and attract the attention of the world to its agricultural, mineral and industrial resources. Louisiana will come in for its full share of profit and honor. Every parish in the State should make it a point to be represented in the Exhibition.

Richard Cousin, 100 years old, voted for Hoadly for Governor of Ohio at the recent election. Cousin cast his first vote for Thomas Jefferson in 1804, and from that year to this fall he has not failed to attend any general election and has voted for an unbroken period of seventy-nine years an unscratched Democratic ticket. His first vote for Governor was in 1805, for Dr. Edward Tiffin, of Chillicothe, and Oct. 9 he walked one and one-half miles to cast his vote for Judge Hoadly.—Ex.

No newspaper editor ever yet had the temerity to deny the existence of the orthodox hell. It is a place especially provided for unconstitutional sinners who go out of the world without paying their subscriptions.—Chicago Telegram.

Special Announcement.

A large proportion of the readers of the COMMERCIAL are farmers, many of whom desire a great deal more of farming literature than we are able to give in our limited space. To accommodate all such we have made arrangements with the publishers of the American Farmer to give it as a premium for one year to every subscriber of the COMMERCIAL who pays his subscription account up to date, and one year in advance. The American Farmer is a large 16-page paper, published at Fort Wayne, Ind., the subscription price of which is \$1.00 per year. Every farmer in Calcasieu Parish should avail himself of this magnificent offer.
