NEW CLASSES
IN ALL DEPARTMENTS
of the
Omaha Commercial College
[19th and Farnam Sts.]
TOMORROW, FEBRUARY 3, 1908.

Enroll at the Omaha Commercial College and you will make no experiment. It is an old, reliable school, and has prepared thousands of young people for mercantile life. When you attend it you get more than your money's worth. The building, courses of study, teachers and facilities are first-class and up-to-date. It will pay you to investigate.

TOMORROW

Tomorrow we start new classes in Business, Shorthand, Typewriting, Telegraphy, Penmanship, English and the Civil Service branches. That will be a splendid time to enroll. You can be located to splendid advantage.

TELEGRAPHY

If you wish to become a telegrapher, we can give you the opportunity. Our Telegraph Department is now complete. There is no other Telegraph School in the country having such appointments and equipment.

This department has been made an Official School of Telegraphy of the Union Pacific R. R. Co. In order to make it highly efficient, this company has installed a Union Pacific dispatcher's wire, for students' use. In addition, all of the books, blanks, forms and reports used by that company are furnished. We have branch and main wires, besides a miniature railroad on which both passenger and freight trains are operated, thus making each and every student familiar with every detail of railroad work. No department could be any more complete.

POSITIONS GUARANTED

We guarantee every graduate a position on the Union Pacific Railroad. We can do this, because the company has entered into a contract with us, to take every student as soon as ready. Do you believe it will pay you to learn Telegraphy? Few things pay better or furnish more permanent employment. Send for Catalogue, Special Circular and particular information. You can enter this department at once. Students are coming in continually.

NIGHT SCHOOL

We have a splendid Night School, open every Monday, Wednesday and Friday night. New classes start tomorrow night. Be sure and attend either the Day or Night School. Either will afford you splendid advantage.
