GOTCH AND LION'S TRAINER

Champion of America Wrestles Champion of Australia at Auditorium.

LATTER TRAINS HACKENSCHMIDT

Manager Gillan Now Feels Certain of Getting the Burns-Beell Match for Lightweight Championship of the World.

Frank Gotch, champion of America, will wrestle Harry Bransfield, champion of Australia, at the Auditorium the night of March 16. This match has just been closed by Manager Gillan of the big building.

Bransfield comes to this country to train George Hackenschmidt of Russia for his wrestle with Gotch for the championship of the world. His meeting with Gotch will, therefore, be a matter of the utmost significance not only to the wrestling world, but to himself and the Russian Lion. Meeting Gotch and studying his methods will enable the Australian the better to direct the tactics of Hackenschmidt. Surprise has been expressed that Gotch would agree to wrestle the man who was to train the man with whom he is so soon to try honors for the world.

Bransfield is a young, active man, who has achieved an unparalelled reputation in his native country; he has met and bested all comers there and in the three or four times he has wrestled in America he has never lost a fall. He weighs over 200 pounds and is capable, therefore, of handing Mr. Gotch a real contest. The match, it is believed, will be one of the great ones.

The Australian is now in San Francisco, having recently landed here, and will come east via Denver, arriving in Omaha March 6.

Manager Gillan hasn't a doubt now about closing the terms for the Beell-Burns match at the Auditorium for an early date. He is in communication with both men. This is looked forward to as the greatest match the Auditorium has ever sheltered, as it will bring together the two best men of the class for their first meeting and determine the light heavyweight championship of the world.

KENT TO COACH BASE BALL TEAM

Iowa Captain of Last Year Will Have Charge This Year.

IOWA CITY, Ia., Feb. 27.—(Special.)—Maurice Kent, the Iowa base ball captain of last year, will coach the Hawkeye team this spring. Kent played with the Marshalltown Iowa league team last year and will play with the Oskaloosa team this season after the close of the college year. His selection as coach of the local varsity nine is extremely popular among the men, most of whom have played with him in past seasons. He was conceded to be the greatest college twirler in the state in his time and one of the two or three best in the west. As a professional he made good with Marshalltown, being kept in the game nearly all the time on account of his ability with the stick, although signed as one of the pitching staff. Kent expects to turn out a first-class team at Iowa City. He has five seasoned men on the pitching staff and forty in the squad trying out for the infield and outfield positions. "Chick" Kirk, the Iowa representative on the all-western foot ball team, will be behind the bat again, with Delley, Poyneer and Cobb of last season's aggregation on the slab. Hanlon, Sutherland and Gittenger will also be used. All the infield positions are open except third, which will be held down by Wilson, another old-timer. In the outfield, Johannsen in center is the only man eligible. St. Clair, Seidell, Gross and Carberry of the 1907 foot ball team are working out for the two remaining positions. If the reports from Grinnell are true, the only team to dispute state honors with the Hawkeyes this year will be Ames, with whom relations have been severed.

FRANK ALVORD KILLS HIS WOLF

Tells Story of Shooting Seventeen Out at Arapahoe.

Frank Alvord tells some thrilling experiences he had recently in a wolf hunt at Arapahoe when he was the guest of Mr. and Mrs. J. H. Mooney, the former being editor of the Weekly Pioneer. Mr. Alvord was the only Omaha man in the party of 600 or 800 men and boys who lined up around a space four miles square. A pole bearing a white flag was placed in the center of the circle and all marched toward the pole. The excitement was thrilling as the wolves had little chance to escape and all made a run and fight. Seventeen wolves were shot of which Alvord killed one besides three jack rabbits and a cottontail.

Complaint was made to the game warden because a large number of prairie chickens were killed, although it was out of the season. Alvord walked three miles over a rough and hilly country and says the sport was most exhilerating besides having a considerable element of danger because of the promiscuous handling of the guns.

Alvord is having his trophy of the chase made into a rug by the Western Fur company on Sixteenth street. The wolf weighed fifty-seven pounds when killed.

Omaha wolf hunters were not as successful on the wolf hunts which were held a year ago in East Omaha.

Stutsman to Stay in School.

IOWA CITY, Ia., Feb. 27.—(Special.)—The hearts of the track enthusiasts were gladdened by the announcement that Stutsman, the 'varsity foot ball player and weight man on the track squad, will not leave school, according to his first decision, but will be here for the rest of the year, with the intention of returning for the foot ball season. Stutsman is showing great class in the discus and shot events and may upset the dope at the state meet next May. He is almost certain to play one of the tackles on next year's foot ball squad.

JOHNSON WILL FIGHT BURNS

Colored Heavyweight Willing to Stake All on Mill.

NEW YORK, Feb. 27.—It is the intention of "Jack" Johnson, the colored heavyweight pugilist, to accept the offer of a syndicate of British sportsmen for a match with "Tommy" Burns in England, according to an interview with Johnson published here today. Johnson is quoted as saying that, while he at first regarded the terms of the proposed match as unfair, he has now made up his mind to accept the offer. His main objection, he said, was to the smallness of the purse, but he hopes Burns will agree to a bet of $5,000 on the side. "If Burns can beat me I am willing to quit the game," Johnson is quoted as saying. "Any number of rounds will suit me, from one to a thousand. In fact, now that I have made up my mind to accept, Burns may name the terms."

Death in Prize Fight Claimed.

NEW YORK, Feb. 27.—Emmet Brown, a negro, died at the Presbyterian hospital early today from injuries alleged to have been received in a prize fight last night. The base of his skull was fractured and he died without regaining consciousness. A policeman found Brown lying unconscious on the sidewalk at Seventy-second street and First avenue. Frank Holmes, colored, who was standing over Brown, is being held. He refuses to give out any information about the case.

Sporting Gossip.

Nick Altrock has cinched his retirement from the gay life by getting married.

It will soon be time for Pa's colts to be floating in to prepare for the coming of the White Sox.

The Omaha High school basket ball team goes to West Point for a game with that team Friday evening.

The racers will be in soon and then all Omaha will turn out to see the Hoosier mud clinging to the wheels.

Base ball players are all writing they will be in shape on reporting day, but what kind of shape they do not state.

Comiskey has no further worries for the present. His entire team has now signed up. Altrock has signed the pledge and taken a wife to see that he keeps the pledge.

Norris O'Neil has promised to have the Western league schedule out in a few days and then we will be able to see where the big games are to be played this summer.

Tommy Burns is an ironical cuss. He offers to take on Bosther Bill and one Tiger Smith the same evening for ten rounds each, with an intermission of fifteen minutes. That's getting 'em fast.

Mandow Mertes writes from the Pacific coast that he is afraid of malaria if he plays in Louisville. When in Omaha last fall he did not look as though he would be afraid of anything.

The automobilists will have to make peace with the weather man of Alaska if they ever expect to get through. They were evidently at the outs with the handler of the weather through the middle states.

Rube Waddell is the first of the Browns to go into training. He has gone to French lick to begin his preliminary work to be joined later by some of the other members of the team. Rube starts out with good intentions at least.

Perry Werden may be one of the Western league umpires for the coming season. Many fans around the American association circuit are letting out yelps because President O'Brien did not retain him in that league for this summer.

NEBRASKA FROM DAY TO DAY

Quaint and Curious Features of Life in a Rapidly Growing State.

Smooth—At a recent "leap year" dance given by the society girls of Norfolk, one clever young woman made her escort pay for the ticket. This should be a subject for congress to look into.—Nebraska City Press.

Town's Booming—Owing to the crowded conditions of our columns Friday, we were unable to mention the fact that Will Taber has made arrangements to put in an electric theater in his big billiard room. This will be a fine enterprise for Red Cloud.—Red Cloud Commercial Advertiser.

Trouble—The cook stove has smoked so badly at our house lately that we found it necessary to omit family worship. A smoky stove has caused more than one woman to lose her religion. However Mr. Pool gave the concern a few allopathic doses of cleaning out, and the family has resumed its regular routine.—Auburn Granger.

On the Watch In Sidney—Last Friday morning Mrs. Corbett had occasion to leave the rectory for an hour, leaving the side door unlocked, as she sometimes did. When she returned she glanced up at the mantle where a watch should hang. It was gone, but she supposed she had mislaid it and went about her duties. However, in the evening some money and trinkets were discovered missing by Mr. Baldwin, who rooms there, and is was easy to see where the watch went. The thief had such a start that it was impossible to locate him then. He may appear again sooner than he schedules. In the meanwhile the good ladies are not "just running over" without turning the key in the door.—Sidney Telegraph.
