Florida Lands

MAKING MONEY WHILE YOU WAIT.

There will be planted in our section in Florida this month 10,000 to 15,000 acres of Irish potatoes. These potatoes will go to market about the time the northern farmer is planting and bring prices unhoped for by him. The potatoes will be followed by a crop of corn or other field crops.

Our lands are equally adapted to trucking, small or large farming and stock raising. The largest cattle and hog farm in the United States is being developed in our locality. No one crop country can begin to compare with it. A place to live as well as to make money. The superb all year round climate should add years to your life.

BENSON & CARMICHAEL,
642 Paxton Block. Omaha, Neb.

We want you to see this country, where opportunity awaits you; where you can secure that farm and home on easy payments, which may mean your very independence.

Texas Lands.

WHEN you buy a farm, get it where it has a future. If you buy high-priced land you are just trading dollars, so to speak. We have a land proposition that ought to interest every farmer seeking to better his condition. Our lands sell at $30 to $50 per acre, on easy terms. The soil is rich and fertile, the climate fine, the water supply pure and plentiful; the rainfall has always been ample to insure crops. Until a few years ago there was no railroad through this section of the country, but with the advent of a main-line railroad it is now rapidly coming into the front, towns are springing up, and in a few years these lands will double and treble in value. We have personally investigated this land, bought some of it ourselves, and have the agency for a limited supply. These lands are located in western Texas, below the Panhandle. MISSION AT THE CATHEDRAL

Special Services to Be Held for Eight Days, Beginning on February Sixth.

REV. J. H. HOPKINS IN CHARGE

In connection with the nation-wide preaching mission of the Episcopal church, special services will be held for eight days at Trinity Cathedral Eighteenth and Capitol avenue, beginning Sunday, February 6.

Rev. John Henry Hopkins, D. D., rector of the Church of the Redeemer, Chicago, will have charge of the preaching mission here. Under his leadership, the following services will be held daily during its period at Trinity cathedral:

Celebration of the holy eucharist, 8 a. m.

Conference for women of the church 10 a. m., led by Mrs. Hopkins, on the general subject, "Avenues of Work and Service Open to All Women."

Children's service, 4:15 p. m.

Preaching, instruction and questions, 8 p. m.

All Are Invited.

Very Rev. James A. Tancock, dean of the cathedral, says that all persons are invited to attend the various services of the mission during the eight days it will be held. "Come to the Mission" will be the slogan of all members of the Episcopal church, and a very active and successful series of services is expected.

The movement is the result of action of the national assembly of the church, when resolutions were adopted, with the concurrence of the House of Bishops. These resolutions declared that the present age calls for a revival of prophetic ministry, and re-emphasis of the unchanging words of eternal truth pertaining to salvation; and that a new accent should be placed upon the solidarity and catholicity of the church, seeking to promote faith and order. The present mission was therefore decided upon, whose sole purpose should be the salvation of men through the preaching of Christ.

"Customer" Slugs Merchant and Robs Him of His Money

While J. Oberman, furniture dealer at 723 North Sixteenth street, was showing a negro customer some furniture suitable for restaurant purposes, the negro suddenly pulled a blackjack out of his pocket and slugged him across the face. Then stepping over him, he leisurely went through the merchant's pockets and removed $6, after which he escaped.

Oberman's face was badly cut by the club, and he required medical attention.

It is fifty years since the first Young Women's Christian association was organized in the United States, and they have been years of marvellous growth and of the very manifest guidance of God. The local association is planning some interesting events for the month. A general plan of the month, as made by the special committee, is as follows: First week, Membership week, with several banquets for groups of members; second week, Publicity week, when members will try to present the work in as many places as possible; in the third week, which is Historical week, they will present the historical pageant prepared by the national board, and the last week will be divided into days of giving and days of prayer, with a closing birthday service March 3.

The previous record was established in February, 1912, when 259,032 head were received. Accepting a call to a pastorate in North Dakota, Rev. William R. Hill, South Side "Billy" Sunday worker and pastor of the Trinity Baptist church at Twenty-fifth and H streets, has tendered his resignation as pastor of the local church. Dr. Hill will be an evangelist in the new territory with headquarters either at Grand Forks or Fargo. A successor will be chosen by the board soon.

Garfield school pupils to the number of eighty attained an average of 100 per cent in attendance and punctuality for the entire semester of school just closing.

School authorities honored the students in recognition of their excellent work by presenting each of the eighty students with a neat badge made up of school colors. New Plan at High School.

The opening of the school semester in regular high school work at the local high school tomorrow morning will find a new schedule in operation. Five one-hour periods will take the place of the seven forty-five-minute sessions that have been in vogue almost since the high school was organized in the South Side. The usual hour for noon will be allowed.

Principal Moore announces that school will be dismissed at 3 o'clock instead of 3:15 as has been the case in the past. Half of each hour period will be devoted to study while the other half will be consumed in the study of the lesson at hand. If a student carries five studies he will have to do all of his studies at home or subject himself to but a half hour's preparation. Students who carry but four studies will have but an hour a day to devote exclusively to study while in school.

The enrollment is larger than ever recorded in the history of the High school. The future of all departments of the school is indeed brilliant and students as well as teachers are looking forward to the coming semester with pleasure. The printing department did not lose a single member.

Collins to Omaha U.

Johnny Collins, alumnus of the local high school and a brilliant basket ball player, is staying with relatives in the South Side. He is expecting to enroll at the University of Omaha for the second semester's work at that institution.

Collins studied a semester at Nebraska university and planned to attend this fall, but was declared ineligible to join the university basket ball team. His place is easily assured, Coach Jumbo Stiehm and other directors at the Nebraska institution having been after the athlete for some time. He will attend the state school next September, turning out for the basket ball team the following January. Collins was a prominent figure at the local South High-University Place game last evening in the High school gymnasium.
