U., which will he held at Plant City in November. All members are urged to be present.

Very few people realize that much of their nervousness, headache and chronic trouble may come from eye strains robbing the nervous system of its natural nerve supply, but such is the case. Dr. Armstrong specializes along these lines, overcoming all the above trouble without drugs or operations and straightens cross eyes without knife. The Dr. will pay a professional visit to DeLand Oct. 8—office LaVilla—I day only. *

Mr. S. B. Wilson brought his family home last week from Hendersonville, N. C., where they spent the summer. En route they stopped at Greenville, S. C., and settled Miss Mabel in the Greenville Female College, where she will finish her musical course. Miss Lisle Sauls, who has made her home with Mr. Wilson's family for several years, is now visiting her mother in New York.

A private letter from "Uncle Dan" Blocker states that he has matriculated in the Divinity Department of the University of Chicago. Mr. Blocker states that every item in THE NEWS relating to DeLand and her people, to Stetson University, or to Volusia county is read with avidity.

City Council meets Monday night.

The next big improvement will have to be a handsome city hall. With a good court house, fine jail, handsome bank and university buildings, the city cannot afford to lag behind with the old shack now doing service as a city hall. Here is an opportunity for some big-hearted millionaire to get in some good work. Conrad Hall would sound mighty nice, Uncle Jake.
