LOCAL AND GENERAL.

A horse has been lost. See advertisement.

The Duke of Newcastle will leave for the Orient on the Oceanic.

E. D. J. Bartram has retired from the firm of B. F. Ehlers & Co.

Two Hawaiian certificates of the denomination of $20 have been lost.

F. H. Hayselden returned to Lanai by the steamer Mokolii yesterday.

Dr. Brodie has resumed practice. His office and residence is at 49 Beretania street.

Hawaii should put up her dynamite. She is too small to handle it safely.—Am. Ex.

A sailor belonging to the bark Ladstock was arrested last evening for deserting the vessel.

Mr. V. L. Joslyn is a new arrival. He was formerly of the staff of the San Francisco Call.

The Sailor's Home Society will meet this morning at 10 o'clock at the chamber of commerce.

The Hawaiian National band serenaded U. S. Minister Blount last evening at Snow cottage.

If any steamer is in port during this evening the Hawaiian band will give a concert at the hotel.

On Thursday morning, at 10 o'clock, the regular quarterly meeting of the Union Feed Company will be held.

It is rumored that Judge Kala of Koloa, Kauai, will not be re-commissioned when his present commission expires.

The registrar of public accounts has a notice in this issue regarding a change in the day on which salaries will be paid.

On the 29th instant the stockholders of the Hawaiian Fruit and Taro Company will hold a meeting.

Send a copy of this week's GAZETTE with your foreign letter. Copies can be had at this office or at the news dealers.

The annual meeting of the Kahului Railroad Co. will be held tomorrow morning at 11 o'clock at the office of the company.

The scaffolding which prevented travel on the sidewalk in front of the new safe deposit building on Fort street has been removed. Pedestrians can now use that side of the street.

The libel case against John E. Bush was dismissed yesterday in the circuit court. It seems that John has made an ample apology to the attorney-general, who consented to the dismissal.

George H. Paris the local agent for the Columbia bicycles, will receive sixteen ball-bearing wheels on the Australia. They are suited either for boys or girls. The prices will be very low.

A native named Puahala was locked up yesterday for vagrancy. A short time ago he was arrested for obtaining money under false pretenses. He informed a friend that he had some pigs to arrive and on the strength of the story he borrowed a small sum of money.

The Waipio Suicide.

An inquest will be held on next Saturday at Pearl City on the body of the Japanese who was found hanging in a hut at Waipio on Sunday. The woman was lately liberated from the insane asylum. She was about 20 years of age. She was last seen alive on Sunday morning, when she asked her husband for some brandy.

Must Reduce Their Weight.

The tug-of-war team of the Honolulu iron works is practicing after 5 o'clock every afternoon near the fish market. The Kapuukolo team decline to accept the challenge of the foundry boys unless they reduce their pulling weight to 1019 pounds, which is equal to theirs.

Playing With a Shovel.

L. Barsotti, a member of the flagship band, was arrested yesterday for assault and battery. It appears that he waved a shovel in dangerous proximity to the head of a man named Bushnell.

HARDEN IN LUCK.

The Only Evidence Against Him is Missing.

From present appearances it looks as though Francis G. Harden, the young man who lately returned from exile, will not have to get out of town again. Readers of the ADVERTISER will remember that this young man received notice last week to get on the City of New York or else go to jail. The vessel arrived in due time and has since departed for San Francisco, but Harden is still with us.

When the young man was before the police court on a charge of duelling, the principal evidence against him was a written challenge to the editor of the Holomua. That piece of paper has mysteriously disappeared from the station house, as a careful search has failed to bring it to light.

Harden has been threatened with arrest on a charge of vagrancy, but he claims he is employed by John E. Bush. He did not state just what his duties consist of, but it is thought that he is acting as a bodyguard for the editor of the Ka Leo.

Many People

Think they're getting a reliable Safe, because it has a fine appearance, correct shape, and is apparently fire proof.

The difference in cost of material in a first-class Safe is one of the differences between the best and one not so good.

Nothing, but the truth is the best policy for us; nothing, but a HALL'S SAFE is the best policy for you.

It's a luxury for a business man to possess a HALL'S. A business man wants something besides looks back of the veneering.

All Safe work in the buildings of the World's Fair was put in by our Company. Does this not speak volumes?

T. W. HOBRON,
