County Agent Lampson has been at Roy and in the Arbon valley the past few days on the rodent pest extermination problem. He reports the farmers more interested in this work than they ever have been in the past.

Mrs. B. H. Richards, now in Tacoma received seven letters from Ben on one mail recently, the last one written November 7, when his company was back from the lines in a rest station. Mrs. Richards had not heard from him for some time, and was much disturbed. The seven letters arriving at one time indicate that the army must have been busy handling other things than mail for some time.

The remainder of the stock of the Hub Clothing Store will go on sale tomorrow to close out.

Miss Rice reports taxes coming in well, from $200 to $1000 a day.

Mrs. John Christianson has suffered a relapse from influenza, and has developed a severe case of pneumonia.

INFLUENZA NOTICE

As a protection to my office patients, and as an aid to the Health Board in preventing the spread of the present epidemic of influenza, I am asking influenza patients and suspected influenza cases, not to call at my office. In case of suspected influenza, go to bed at once and call a physician or Chiropractor.
