FIGURES OF TRADE

New York, Sept. 15.—Money closed easy at 4 per cent; lowest, 3½; highest, 5.

Exchange closed steadily, posted rates, $87 to $88½; actual rates, $86 to $86½ for sixty days and $87¼ to $89 for demand.

Government bonds closed steadily; currency, 4s, 112 bid; extended 2s registered, 100 bid; 4s coupon, 113 bid. Pacific railway bonds closed as follows: Union 1sts, 108 bid; Union sinking funds, 106½ bid; Centrals, 106 bid.

There was decidedly more life in the stock exchange this morning, over 200,000 shares changed. There was a heavy selling at the opening, under which prices declined ½ to 1 per cent, the latter in Wheeling and Lake Erie preferred. The selling of the morning was kept up until the sugar trust broke sharply on the company's announcement of an embargo at quarantine on raw sugar. The closing prices were at or near the lowest for the day; the declines ranged from ¼ to ¾ per cent. The sales amounted to 470,125 shares.

Chicago Grain.

Chicago, Sept. 15.—Wheat opened steady, and there was good trading early. Closing cables were steady, but a rumor of the arrival of the steamer Bohemia at New York from Hamburg, with the announcement of ninety deaths of cholera on the voyage, caused a wild throwing out of wheat, which had been bought on the early break and a drop to 75 cents for December was the result. The closing quotation was 75½c. Frost was not severe enough to do material damage, appears to be the verdict of the corn traders, and consequently that article opened weak at ¼ under its closing prices on Wednesday. The tendency continued downward for the most part. Oats were weak in sympathy with other pits. The provision market was like the other speculative markets under the influence of cholera news and aggressive bear tactics. There was nothing of any special significance in the individual trading. Closing prices:
