REPENTED AT THE ALTAR

A Michigan Bride Suddenly Changes Her Mind.

IN TEARS IN A BOWER OF ROSES

A Swell Wedding That Did NOT Take Place—The Lady Refuses, the Guests Retire and the Prospective Groom Goes South.

CHEBOYGAN, Mich., Dec. 29.—Miss Nettie Sinclair is one of the prettiest and most popular young women in this city. Her father is a well-to-do lumberman and well known throughout this section of this state.

About a year ago there entered his employ a bright young man about 25 years of age, who gave his name as Charles Backus. He was very reticent regarding his past life, but being thrown constantly into the society of his employer's daughter, a love affair sprang up between them. The young people became engaged two months ago, and this afternoon was the time set for the wedding. A large number of persons from all parts of the state were invited, and preparation made for a very swell marriage.

All things went well until this morning, when Miss Sinclair seemed much dejected. Nothing was thought of it however, and the preparations for the wedding continued. Three o'clock was the hour set for the event, at which time the home of the bride was filled with invited guests. The bride was dressed and ready to proceed to the bower of roses which had been erected in the drawing room, when she suddenly burst into tears and refused to leave her room. Entreaties of parents and friends could not move her, and finally excuses had to be made to the guests, who retired dumfounded.

A few minutes latter the groom suddenly disappeared, and late this afternoon, without a word of explanation, left for the south. The young lady refuses to make known the reason for her queer action, but it is hinted that some affair in the past life of Backus has caused it.

MASONIC INSTALLATION.

Five Hundred Guests Present at the Ceremony and Banquet.

CEDAR SPRINGS, Dec. 29.—At 7 o'clock last evening about five hundred guests gathered in the spacious and well furnished rooms belonging to the Cedar Springs lodge, No. 213 F. and A. M., in reference to invitations to attend the banquet and the annual installation of officers. At 7:30 the exercises commenced with a song by the male quartet. After prayer by the Rev. Inman, the quartet rendered two more selections and the installation commenced, Charles Clark presenting the candidates and J. B. Callahan, W. M., giving the charge. The new officers are as follows: William C. Congdon, W. M.; Leman H. Chapman, S. W.; Earnest A. Remer, J. W.; Fred Hubbard, S. D.; Harry M. Holmes, J. D.; Victor Pool and B. A. Fish, stewards; Daniel F. Done, tyler. Rev. Robt. Bailey, of Chicago, who had been engaged to deliver the address, disappointed the crowd on account of "la grippe" at his home, but the audience was well entertained by the best male quartet in Michigan, Messrs. W. P. Skinner, Frank Whitmore, A. H. Stilwell and A. H. Covey, who were in prime condition, and filled the demand for extra entertainment to the entire satisfaction of all. Senator Ryno of Stanton, was present and presented his compliments to the lodge and guests, and after Chas. Clark, in behalf of the lodge, presented retiring Worshipful Master Callahan with a beautiful aporn. Over three hundred person partook of the good things with which the banquet tables were spread.

Mrs. Joseph Lommitz of Bay City went down town about 6 o'clock Monday evening. When she returned three hours later, the doors were wide open and the body of her husband was found lying on the kitchen floor with his face crushed. The five-year-old girl, in an adjoining room, was also badly wounded, and there was evidence of a frightful struggle. In the front room was a bureau with one drawer pried open, from which between $80 and $90 had been taken. The murderer evidently entered the front door and had been detected while trying to open the bureau. In the struggle which ensued Lommitz yelled and the child was awakened, and its cries silenced by the same instrument which killed its father. The police are working on the case, but not the slightest clue was left by the murderer.

CHEATING IN HORSE BLANKETS

Nearly every pattern of 5A *Horse Blanket* is imitated in color and style. In most cases the imitation looks just as good as the genuine, but it *hasn't the warp threads*, and so lacks strength, and while it sells for only a little less than the genuine it isn't worth one-half as much. The fact that 5A *Horse Blankets* are "copied is strong" evidence that they are THE STANDARD, and every buyer should see that the 5A trade mark is sewed on the inside of the Blanket.
