Four-Year-Old Mark Lowered by Pacer

COLUMBUS, O., Sept. 30.—World's record pacing by Braden Direct, owned by J. H. Elspass of Denver, was done this afternoon at the opening of the second week of the Columbus Grand circuit racing.

He set the record for 4-year-old pacers at 2:08¼ and followed that heat up with miles in 2:06¾ and 2:04. Braden Direct was the title holder because of a 2:06¾ mile this season at Cleveland.

The race, the King Stake, was not won in straight heats. Don Pronto was first home in the first trip in 2:05¼. The judges held that no attempt had been made to win with Braden Direct, Branham Baughman and Sadie Hal. Accordingly fines of $100 each were placed upon Drivers Egan, Cox and Snow. Don Pronto had been backed off the boards for the heat. All bets were declared off. Summaries:

Mordecai Brown To Leave the Cubs

CHICAGO, Sept. 30.—Waivers have been asked on Mordecai Brown by President Murphy of the Chicago Nationals. GIANTS' NEW PITCHERS GOOD

Four Recruits Tried Out Recently and Not Found Wanting.

NO CONCESSIONS FOR BOSTONIANS

Secretary Heydler of the National League Prepares His List of Preferred Patrons for Reserved Seats.

NEW YORK, Sept. 30.—Enthusiasts who are following the concluding work of the New York Giants before the world series are being surprised with the strength of McGraw's string of recruit pitchers. Such men as Demaree, Kirby, Gouliat and Bader, all strange names in the Giants' lineup, have been tried out in the last few games since the pennant was assured and helped boost New York's showing.

Bader, a youngster from Dallas, Tex., pitched a winning game against Philadelphia today, although nine hits were made off him. None of these recruits is eligible for the big game next week. In the last five games the Giants have played the only one lost was pitched by the so-called star of the team, big Jeff Tesreau, against Boston on Saturday.

Today's victory was the 101st for the Giants this season, one less than the string of Boston Americans victories to date. Predominante of earlier opinion that Boston would be strong favorites in the world's series is weakening, particularly here. Many of the "experts" say the contenders are so evenly matched that a seven-game series is not at all unlikely.

Prepares List of Patrons.

At the National league headquarters today Secretary John A. Heydeir was busy preparing his list of preferred patrons, including oganized base ball officials; box holders and authorized major league newspapers. He announced that this list would be closed promptly at 6 o'clock tomorrow evening and that positively no applications for reservations after that hour would be considered.

These preferred patrons are to be accommodated at the $3 rate in the upper tier of the grand stand, and after the dist has been deducted from the 8,000 seats available in that section, the rest are to be placed on public sale in advance.

The time and place for this sale probably will be announced on Thursday, said Mr. Heydler.

The remainder of the 30,000 seats at the Polo grounds can be bought only at the grounds on the days of the games.

Philadelphia Wins Cricket Match.

PHILADELPHIA, Sept. 30.—The Gentlemen of Philadelphia won the cricket match with the Australians here today by the narrow margin of two runs. The Australians needed 138 runs in their second innings to win, and with the score at 135, the visitors last batsman was cleaned bowled by J. B. King. Total score for two innings: Philadelphia, 359; Australians, 257.

Blue Springs Beats Beatrice.

BEATRICE, Neb., Sept. 30.—(Special Telegram.)—The Blue Springs ball team defeated Beatrice here today by the score of 6 to 3. "Stony" Snyder of Wymore was in the box and Beatrice was unable to do much with him. The proceeds of the game were turned over to R. McDaniel of this city who broke his leg last week in a game with Liberty.

Miss Curtis Leads in First Golf Round

MANCHESTER, Mass., Sept. 30.—Miss Margaret Curtis, the American woman golf champion of 1911, won the honors today in the opening round of the eighteenth national woman's golf championship playing on her home course at the Essex Country club. Under unusually severe conditions, by reason of a moderate autumn gale, Miss Curtis covered the course in the qualifying round of eighteen holes in eighty-eight strokes, three better than Miss Georgianna Bishop of Bridgeport, the 1904 holder.

The drawing for the first round of match play tomorrow resulted in comparatively few sectional clases.

The pairings together with the scores made today were:

Miss E. C. Fuller, Wolkston (96), and Miss Gladys Rosenthal, Ravisloe (92).

Miss Lillian B. Hyde, South Shore (99), and Miss Francis Griscom (100).

Drive Fast Miles in Practice for Rtces

MILWAUKEE, Wis., Sept. 30.—In the opening practice for the Vanderbilt and the Pabst, and Wisconsin and Grand Prix trophy automobile races, scheduled for Wednesday, Thursday and Saturday, respectively, the larger cars began to average around seventy-eight miles an hour, which surprised the spectators along the course.

The fact that such fast time was made on the rebuilt course, over which the drivers had previously had no practice, makes Starter Fred J. Wagner and other racing experts sanguine that the world's road race record will be broken at Milwaukee. The present record is held by Tetzlaff, approximately sexenty-eight and one-half miles an hour, made at Santa Monica, Cal., this year. The opinion is unanimous that the Vanderbilt cup record of 74.07 miles an hour, made by Mulford at Savannah last year, and the Grand Prix record of 74.45, made by David Bruce Brown at the same course, will be shattered.

GERMAN AEROPLANE HITS TREE, PILOT IS KILLED

SONNENBURG, Germany, Sept. 30.—The death of another German army aviator, Lieutenant Willy Hefer, occured today. He was injured during the imperial maneuvers in Saxony when his aeroplane collided with a tree while he was making a reconnoitering flight. It was at first believed he was not seriously hurt, but his body was so shaken in the accident that he never recovered.

Chance Ready to Sign, But Murphy Says No

CHICAGO, Sept. 30.—Frank Chance, manager of the Chicago Nationals, said here today he had received no official notification that he had been deposed from that position by Charles W. Murphy, president of the club, and that he was ready to sign a contract to manage the Cubs next year. Murphy said there was no likelihood of Chance being retained as manager.

"I stand exactly on what I have said before," said Mr. Murphy. "There is no change in the situation. My edict regarded drinking by the Cubs and the announcement that Mr. Chance will not be manager next year stands just as first expressed."

Chance said he had nothing to retract of his vigorous repudiation of charges that had come to his ears that drinking habits among the Cubs had lost games for the team.

"Mr. Murphy called me up to ask after my health as soon as I reached home," said Chance, "but I did not talk to him. I won't seek an interview with him, at least not until I have rested from my operation.

"I still hold my shares in the Chicago club. I have about 10 per cent of the total stock, which is valued at $800,000, and rate my shares at $80,000. During the years that Murphy has held the office of president the team has earned more than $1,000,000, but now he has the nerve to turn against the fellows the minute they run into hard luck and fail to land a pennant every season.

"A club owner better skilled in diplomacy than Murphy would not have humiliated his players and dampened their enthusiasm by holding them up to contempt as drunkards throwing away their chances."

Chance said he was going to rest up at his California ranch and would stick to base ball. He has three big league contracts offered him at attractive terms, he said.

Big Concrete Stand for Chicago Nationals

CHICAGO, Sept. 30.—The Chicago Nationals will start next season with a new steel and concrete grandstand to cost $700,000 and with a capacity of 60,000, it was announced by President Murphy today. Twelve thousand of the above number will have to stand when all are present. A subway about eighteen inches deep is to be excavated in front of the bleachers and stands and on big days when all accommodations are required the last comers will have to stand in the "dugout" as it has been christened.

FRATERNAL ORDERS OBJECT TO MOBILE BILL

CHICAGO, Sept. 30.—Means to procure the repeal of the so-called Mobile fraternal insurance bill are being discussed by delegates from sixty-five fraternal orders here today. The meeting was called to order by Walter A. Rice, supreme secretary of the Order of the Iroquois, of Buffalo.

The bill was enacted in more than sixteen states and contains a section under which fraternal societies which pay a death benefit are required to maintain a reserve, as are the large life insurance companies.

It is expected the meetings will consume several days.
