Algonquin Team Takes Two Games in the Columbia League Tourney—Mohawks Defeated Twice.

PRINCETON, N. J., Oct. 5.—The Tigers met Wesleyan on the University football field this afternoon. In view of the fact that the Princeton 'Varsity has not been playing good ball in practice this week, no large score was expected. The game was watched with a great deal of interest, as Wesleyan is being coached by Reiter, an ex-Princeton player, who is well versed in the Tigers' style of play.

BON VOYAGE WINS $5,000 FUTURITY

In Straight Heats Captures the Rich Event from a Fair Field of Two-Year-Olds in the Blue Grass State.

(Special to The Evening World.)

LEXINGTON, Ky., Oct. 5.—Another large crowd was present at the Breeders' Association track to-day, and the sport was on a high plane. The feature was the trotting of the $5,000 two-year-old Kentucky Futurity, which was contested for by ten of the best youngsters shown this season. The other three races on the card were the 2.07 trot, 2.11 pace and 2.14 pace.

The first heat of the Futurity was won by Bon Voyage, with Katherine G. second, Bertha Bennett third and Librettor fourth. Time—2.15. Rosa Belle and Wigwag were distanced.

Ozana M. won the first heat of the 2.07 trot, with John Taylor second, Wentworth third and Jay McGregor fourth.

Bon Voyage won the second heat of the Futurity and the $5,000 purse in 2.15 1-4. Katherine G. was second and Bertha Bennett third.

WHITNEY HORSES ALL TO BE SOLD

All the race horses in training belonging to the estate of the late W. C. Whitney will be offered for sale Oct. 14, at noon, in the paddock of the Morris Park race track. This sale should not be mistaken for that of the brood mares and stallions, which will take place at Madison Square Garden next Monday evening. The thoroughbreds that will be sold at Morris Park are the ones now racing in the name and colors of Herman B. Duryea, their lessee. Among the lot are the great fillies Artful and Sandria, the winners respectively of this year's Futurity and the Matron Stakes. Then there are such other noted performers as Tanya, Rose of Dawn, Princess Rupert, Gunfire and Chieftain.

Bidding on the Whitney horses promises to be unusually brisk. There is scarcely a thoroughbred in the lot that has not shown great form this season. Even those that have not won, such as Chieftain, are known to be very fast. The latter colt has never started, but has shown great speed in private. The fillies are a brilliant lot and have shown form of high order. Trainers said yesterday that Artful and Tanya would bring at least $20,000 each. The total sum for the lot, it is predicted, will be close to $175,000.

Announcement a Surprise.

The announcement of the sale came as quite a surprise, as the racing public hardly expected to see such great youngsters as Artful, Tanya, Sandria, Rose of Dawn and others placed on the market, even under the conditions of this sale.

$2,300 PAID FOR A PACING FILLY

(Special to The Evening World.)

LEXINGTON, Ky., Oct. 5.—At the Kentucky Sales Company's sale to-day a large crowd was in attendance and good prices were realized.

The largest price of the day was paid by James Gatcomb for the three-year-old pacing filly Phalla, by Allwood dam Amis, by Mimic, she bringing $2,300.

BIG STICK OUT FOR MINOR LEAGUES

(Special to The Evening World.)

CINCINNATI, Oct. 5.—The National Commission to-day notified the National Association of Minor League Clubs that unless the findings in cases brought before the commission are respected by the association all agreements will be declared void and only such minor leagues recognized as come into the National agreement as individual organizations. This means that the others would be treated as outlaws and would receive no protection from the National and American Leagues.

The declaration was inspired by the action of the National Board of the National Association reversing the decision of the commission in the case of Pitcher "Skel" Roach, of Portland, who was declared ineligible to play with Portland by the National Association.

The commission reaffirmed its first decision and ordered Roach's salary paid for the time he was suspended.

I was afflicted twenty-three years, tried all kinds of trusses and treatments and had about come to the conclusion there was no hope for me until I heard of the Electrus. It certainly was the best investment I ever made, for now I am permanently cured." Lyman Hatch, care of W. Hatch, Warsaw, N. Y.

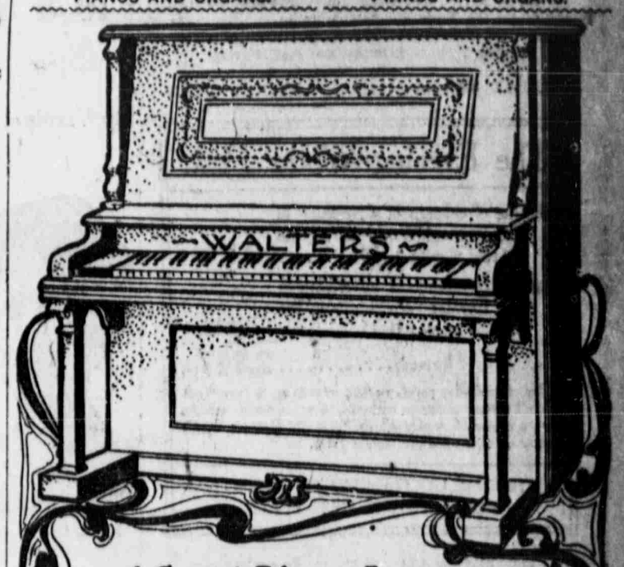
PIANOS AND ORGANS. PIANOS AND ORGANS.



A Great Piano Investment

We offer five hundred celebrated new model tone-lasting Walters pianos for $195 on terms of $5 down and $1 a week.

The $350 Walters Piano At $1 a Week

Is the Greatest Piano Value in the World.

You may secure one on these terms through the

Famous Bloomingdale Plan.

No piano anywhere near its equal in tone, action, artistic design, quality of material or workmanship has ever been offered by any other manufacturer or dealer at anywhere near the price of the Walters, which is

$195, Half Its Real Value.

Pianos that cannot begin to compare with it are offered for sale daily by dealers at from $350 to $400. Therefore, you save from $150 to $200 when you secure the celebrated tone-lasting Walters piano—a piano

Built to Last a Lifetime

by the Walters Piano Company of New York.

Every Walters piano is fully guaranteed in every particular for a term of ten years (a fac-simile of this guarantee is inserted in gilt letters on the inside of the top lid of every piano).

Piano Buying Is a Confidence.

Unless you have expert knowledge of piano manufacturing you must rely entirely upon the reputation of the firm from which you buy. Thus you can readily understand what you are guaranteed by the name "Bloomingdale Brothers." We will be glad at any time to have you look at and examine any pianos for sale elsewhere, and after inspecting them, with an expert if you wish, come here and see the Walters Piano, hear its tone, go over the mechanism, consider its construction, and then judge for yourself if there is any $350 or $400 piano in the world that will compare with it—and remember our liberal terms are $5 down and $1 a week, and that the piano is

Delivered to Your Home on Payment of $5,

and no interest is charged for time taken in making payments.

The celebrated Tone-Lasting Walters Piano has the finest action, finest imported felt hammers, bushed pins, fine selected ivory keys, new Boston fallboard and music rack, three pedals and practice muffler; the scale is overstrung and 7 1-3 octaves. The cases are beautifully finished in double veneer, handsomely carved and finished.

The touch is exceptionally responsive and elastic; so easily manipulated that a child of two can get a good, strong tone with ease.

We are booking a tremendous amount of orders for the Walters Piano at $195—$5 down and $1 a week, including stool and cover—and so we advise you to make a selection to-morrow, that delivery may be made immediately.

On cash purchases we will box and ship pianos free to any part of the United States.

Caution.—Don't buy a so-called "slightly used" or second-hand piano at any price, for they are as useless as old machinery.

Upon request we will send our representative to interview you and give you full particulars about this great offer of Walters Pianos.

Exchange your old piano for a beautiful new Walters and pay any balance at $1 a week.

ALL CARS TRANSFER TO Bloomingdale's LEXINGTON TO 3RD AVE 59TH TO 60TH ST.
