YOUNG MEN

Who may be suffering from the effects of youthful follies or indiscretions will do well to avail themselves of this, the greatest boon ever laid at the feet of suffering humanity. DR. SPINNEY will guarantee to forfeit five hundred dollars for every case of weakness or private disease of any kind or character which he undertakes and fails to cure.

MIDDLE AGED MEN.

There are many at the age of thirty to sixty who are troubled with too frequent evacuation of the bladder, often accompanied by a slight smarting or burning sensation and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits a ropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin, milkish hue, again changing to a dark and turbid appearance. There are many men who die of this difficulty, ignorant of the cause, which is the second stage of seminal weakness. Dr. S. will guarantee a perfect cure in all such cases and a healthy restoration of the genito-urinary organs.
