LOCAL AFFAIRS.

STATE EXAMINERS.—There will be a meeting of the Board of State Examiners to-day, at the office of the Secretary of State.

THE DISTRICT COURT for Ormsby county holds a session to-day, beginning at 10 o'clock.

MINT CONTRACTS.—The sealed proposals for furnishing materials for the Mint were opened yesterday, and among those which were accepted were Lieutenant Governor Crosman's (on the part of the State) for furnishing rubble stone at $16 50 per cord; and Van Gorder and Leets, to furnish brick at $32 per thousand. These bids are at greenback rates.

THE LECTURE LAST EVENING.—Just as we go to press, we have only time and space to say that Rev. A. F. White's lecture last evening was of the most entertaining character. Some of his descriptions were eloquent and vivid. His audience was charmed with the faithfulness and vigor of his details. The lecture to-night will be on "Death Valley" and we advise everybody to be present, for we are certain it will be a treat.

PROCEEDINGS IN JUSTICE'S COURT, YESTERDAY.—Before Justice L. C. McKeeby.—State of Nevada vs. John Kennedy. Threats to do bodily injury. Examined and bound over to keep the peace for six months. In default of four hundred dollars bail he was committed to prison.

State of Nevada vs. Mike Purcell. Assault. After an examination the Court discharged the defendant.

FORMIDABLE PISTOL.—We notice in the show window of Liddle & Co., on Washington street, a revolver which, as a cavalry weapon, is considered very effective by military men. It has a cylinder with nine chambers, discharging through a barrel of ordinary length and large calibre shot equal to that of an ordinary musket, and is intended to throw a charge of buckshot which would tell with terrible effect at close range on a body of men, and could hardly miss a single individual. This pistol which combines the principles of the revolver and the old fashioned cavalry pistol, was invented by a rebel officer during the rebellion.—*S. F. Sphinx of the Times.*

FROM STOCKTON.—This morning, says Moodey's Herald, while a heavy thunder cloud was hovering over Stockton, Mr. Dotten, of Dotten's garden, while standing at his horse power hole which is weather-boarded high up, to be used for nothing purposes, saw something falling from above, some object which fell into the water of the hole. It created a heavy splash, and looking down he saw quite a raising from the bottom, a frog about one and a half inches across the back. As there was nothing else in the water hole at the time, it could be the frog only he feels confident, that he saw falling from the cloud. It was not raining at the time.

A FAVORITE BUCCANEER.—The Alta says that when Captain Frank Dana captured the steamship John L. Stephens, he found on board, in the possession of a passenger, a pair of costly revolvers, bought by a firm in this city to a gentleman near Altata, Sinaloa. He took possession of the pistols, with the brief remark, "I will see that they are delivered!" No more was expected to be heard of the matter, as it was not supposed for a moment that he would keep his word; but contrary to all expectation, word came by the last steamer that he had delivered them to the party to whom they were sent, and what is even more wonderful, without charge for so doing. Chalk one for Dana!

PETTY THIEVING.—The Esmeralda Union of July 28th chronicles the following unpleasant state of affairs in Aurora:

An extensive business has been carried on here lately in the way of robbing unoccupied houses of their doors and windows, such articles being in demand in the new districts surrounding Aurora. Several good houses have been almost ruined lately by these Vandals. We earnestly hope that a few of these despoilers may be caught at their nefarious business and summarily punished.

S. T.-1860-X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an *immediate* beneficial effect. They are exceedingly agreeable, perfectly pure, and must supersede all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate.
They create a healthy appetite.
They are an antidote to change of water and diet.
They strengthen the system and enliven the mind.
They prevent miasmatic and intermittent fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation.
They cure Liver Complaint and Nervous Headache.

They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are compound of the celebrated Calisaya bark, wintergreen, sassafras, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of imposters. Examine every bottle. See that it has our private U. S. stamp unmutilated over the cork, with plain fac simile, and our signature on a fine steel plate side label. See that our bottle is not refilled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or bulk is an imposter. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, &c., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.

P. H. DRAKE & CO.

MAGNOLIA WATER.

A toilet delight. Superior to any Cologne, used to bathe the face and person, to render the skin soft and fresh, to allay inflammation, to perfume clothing, for headache, &c. It is manufactured from the rich Southern Magnolia, and is obtaining a patronage quite unprecedented. It is a favorite with actresses and opera singers. It is sold by all dealers, at $1 00 in large bottles, and by DEMAS BARNES & Co., New York, Wholesale Agents.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair turning gray and falling off.
It restores hair upon prematurely bald heads.

This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car-load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

E. THOMAS LYON, Chemist, N. Y.

LYON'S EXTRACT OF PURE JAMAICA GINGER.—for Indigestion, Nausea, Heartburn, Sick Headache, Cholera Morbus, Flatulency, &c., where a warming stimulant is required. Its careful preparation and entire purity make it a choice and reliable article for culinary purposes. Sold everywhere, at 50 cts. per bottle. Ask for "Lyon's" Pure Extract. Take no other.

DEATH TO FLEAS.—It is well known that Lyon's genuine Magnetic Powder will perfectly destroy everything in the shape of fleas, ticks, bed bugs, roaches, &c.; that it is perfect poison to the insect tribe, but entirely harmless to the human family and domestic animals. The genuine has the signature of E. LYON, and the private stamp of DEMAS BARNES & Co. Anything else of this kind is an imitation or counterfeit. Any druggist will procure the genuine if you insist you will have no other.
